SACRAMENTO REBELS

WELCOME YOU TO OUR 43RD ANNUAL INVITATIONAL TOURNAMENT

Dear Basketball Families,

On behalf of our tournament committee, it is my absolute pleasure to welcome you to this year's 43rd Annual Invitational Basketball Tournament! We are thrilled to host over 75 teams from Sacramento and the Bay Area competing across fourteen different divisions. We are excited for a weekend filled with competition, sportsmanship, and community spirit.

This event is more than just a series of games—it's a celebration of hard work, teamwork, and the love of basketball. Whether you're here to cheer from the stands, guide from the bench, or take the court, your presence helps create the energy and excitement that make this tournament so special.

We encourage everyone to embrace the values that make youth sports meaningful: respect for the game, appreciation for the officials, and encouragement for every player—regardless of the scoreboard. Let's make this a positive and memorable experience for all.

A heartfelt thank you goes out to our volunteers and sponsors, whose dedication makes this event possible. We couldn't do it without you!

Here's to a weekend of great basketball, new friendships, and lasting memories. Play hard, cheer harder, and enjoy every moment!

Don't forget to join us Saturday evening for an ice cream social and bingo at the Hilton Arden West Hotel, Sacramento!

With sincerest gratitude,

Catrina Romero

KEALA JADE CABRERA #2

My most memorable moment in Rebels is when we won our first ever shirt as a team

I will miss my coaches who supported me through all of my obstacles in both basketball and life. They helped shape me into the person/player I am today and for that I'm forever grateful to them. I'll miss hanging out with my little rebels, which I know they'll take over for us and achieve even better things at that. Lastly, I'm going to miss my teammates and the amazing memories we had both on and off the court. The bonds we created and the moments we've shared on this team mean the world to me, and I couldn't have asked for a better 'ohana.

Being a REBEL has taught me a lot about resilience. Every team has its share of ups and downs, but ultimately what matters is how we respond to a challenge and rise above it. Even when something is hard you keep working and pushing forward until the end, even if it seems impossible. Rebels didn't just teach me lessons about basketball, but also the values of community and giving back. As much as I love playing basketball, I've discovered that I also enjoy volunteering to help coach the younger kids. Having and building bonds with not only my teammates, but the whole org, is my definition of what a community is about. And It's important for me to reciprocate all the love my coaches and the org have shown me, so I will always be down to help out and give back. Also, special thanks to my parents for driving me to all the tournaments and to my family members for being my biggest supporters.

Ever since I joined this organization, my most memorable moments with Rebels would be the times I spend with my teammates after our games, whatever we choose to do! Whether it's shopping, getting boba together, getting food, or just hanging out with the girls, it's always so much fun. We laugh a lot and just have the best time. As we come close to our last season, the one thing I'll miss most about Rebels is the bond we've made as a team. I've made so many close friendships with all the girls throughout the past three years. I will miss our team activities like eating out together, shopping, late hotel night bondings during tournaments, and even going to each other's games during school pre-season. I just love spending time with my teammates. We always have a blast and make the best memories. We've all played with and against each other for the past four years, and have created so many fun memories. Looking back at my time with Rebels, I have learned that while being competitive during games helps the team, it's just as important for us to always have fun. This organization has made such a huge impact on me and how I play. I have learned about better team chemistry, communication and leadership, while also having some of the best times of my life. I will always cherish the fun memories with the girls while being a part of this team. I will miss them so much and I'll remember them forever!

Vernisse Calderon #7

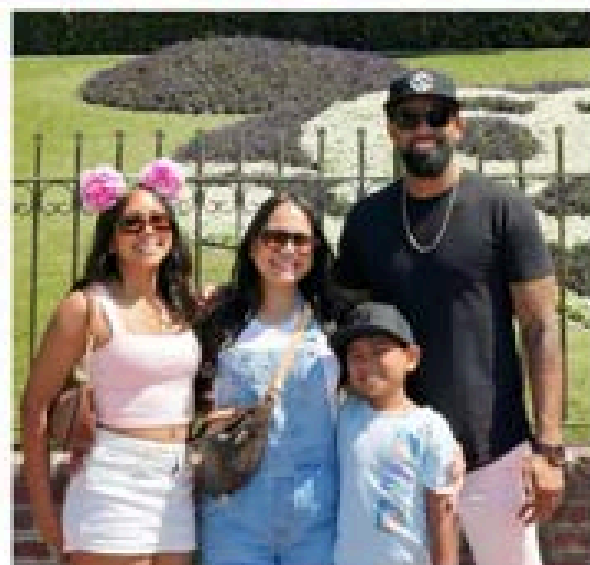

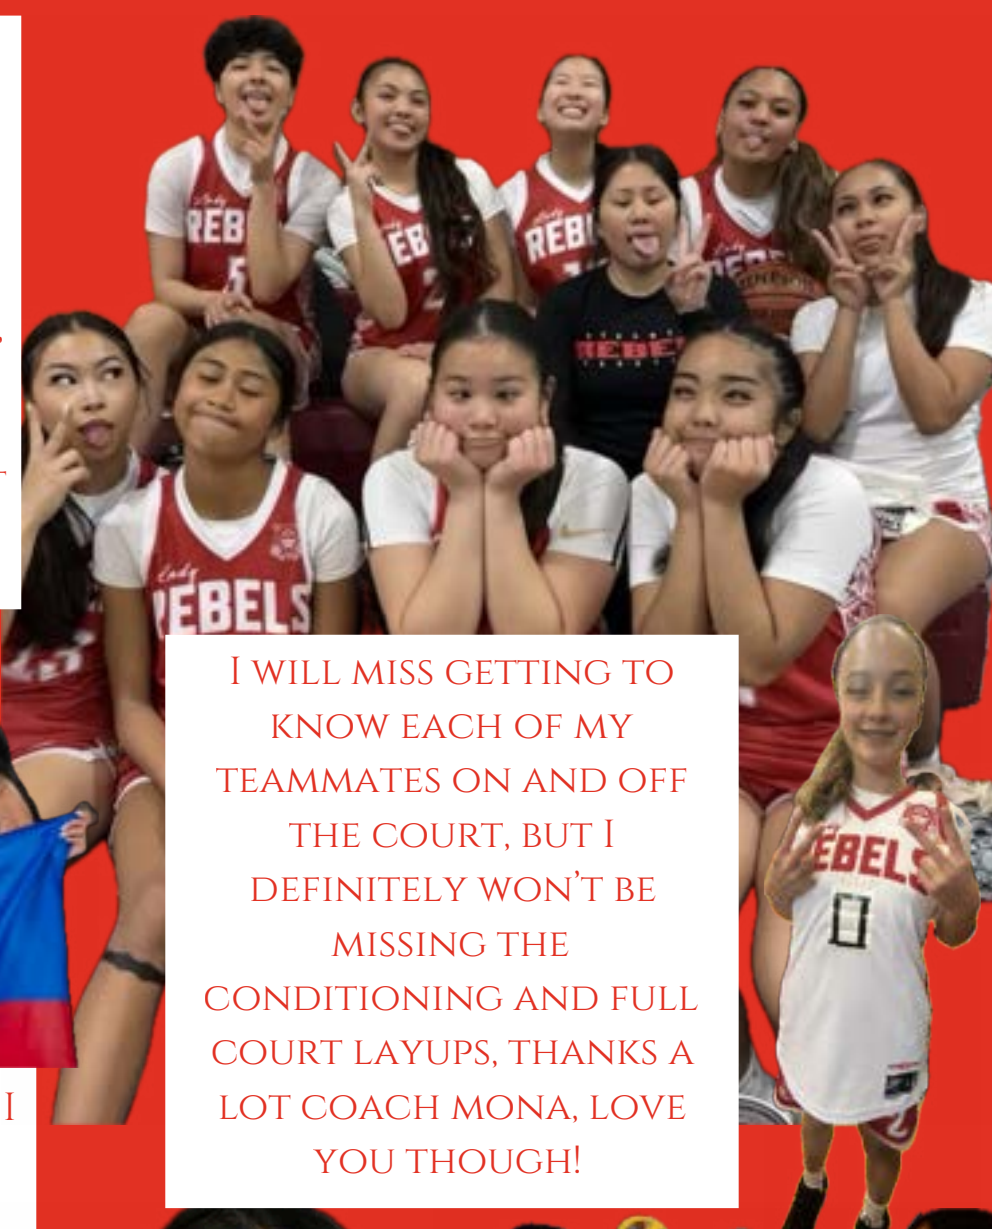

My most memorable moment in Rebels was my first time eating out with my team after a game. My favorite part about every tournament is spending time with my team and especially eating with them. Sharing food and laughs after a win or a loss was always so relieving and lighthearted. I have so many fun memories from just getting food with my girls.

I will definitely miss seeing my teammates and coaches every Wednesday and every weekend during tournament months. I genuinely look forward to that day or those weekends throughout the whole week and seeing them is my favorite part of being a rebel. The bond and sisterhood that I have been able to build with my team is something I will cherish forever. The bond we share is so natural and rewarding so I will definitely miss seeing them the most.

Looking back on my time as a Rebel, the experience has definitely taught me that family is not just people you are related to by blood, but people you spend time with and know by heart. To me, Rebels means family when it comes to both my teammates and others in the community such as our little sisters. Even though I didn't join the team at the same time as some of my teammates, they never failed to make me feel welcome and like their sister.

SOME OF THE BEST MEMORIES I
HAVE OF REBELS IS THE
MOMENTS WE GOT TO SPEND
ALL TOGETHER AS A TEAM,
WHETHER WE WERE ALL
GETTING OUR HAIR DONE BY V,
GETTING DRIVEN TO MATCHA
BY BIANCA'S KUYA, LEARNING
KEALA'S HULA CHOREO, OR JUST
TALKING TOGETHER AT
DINNERS.

I WILL MISS GETTING TO
KNOW EACH OF MY
TEAMMATES ON AND OFF
THE COURT, BUT I
DEFINITELY WON'T BE
MISSING THE
CONDITIONING AND FULL
COURT LAYUPS, THANKS A
LOT COACH MONA, LOVE
YOU THOUGH!

REBELS GAVE ME THE SISTERS I
NEVER HAD, AND A
COMMUNITY BEYOND
BASKETBALL. REBELS SHOWED
ME A WIN OR A LOSS DIDN'T
MATTER, KNOWING WE WERE
HAVING FUN REGARDLESS,
AND NO MATTER WHAT, WE
WERE GETTING SOMETHING
TO EAT AFTER.

**“Rebels
WILL ALWAYS
BE A PART OF
my story.”**

The most memorable moments I shared with Rebels would be going out to eat after games with my teammates and going to socials together.

I will miss spending time with my teammates during the weekends and going to practices with them.

Rebels has taught me that basketball can bring people close together, I never expected to get so close with my teammates but leaving Rebels there is no doubt that I've built life long friendships and a second family.

Thank you **REBELS!**

Abbey Morales #5

My most memorable moment from Rebels was definitely the practices last year with Coach Ari. All I remember was having fun with my teammates and my coach while doing drills or practicing post moves.

I will definitely miss the tournaments most. Some of my favorite memories come from being in our joint room or going to the team parties after the games. I'm gonna miss all my teammates next year so much!

To me Rebels means so much more than basketball. It was a place for me to find friends and family while also playing the game I love. From my few years here I have made memories and friends for life and have learned about basketball and what a real family looks like. I'm excited to go to college but i will always remember this team and how much fun I had and who I was playing with.

My most memorable moment was probably my first ever practice with the rebels 2025g team.

I will miss my Rebels teammates and coaches the most.

Rebels has taught me that coming out of my shell doesn't have to be difficult.

- ✧ The most memorable moment on rebels would be the late night hangouts and dinners after tournaments.
- ✧ I'll miss my teammates, especially the memories I've made during tournaments and practices. I will forever cherish the memories we've spent together and everyone who has helped me grow as a person and as a player. I will miss everyone when they go off to college.
- ✧ Being on the Rebels team has taught me perseverance. Being on this team allowed me to grow in many ways. Despite the ups and downs our team has experienced – the wins and losses, we have all learned to keep moving forward as a team and as individuals. Our team has really gone a long way from the beginning to the end, and I am so incredibly grateful for sharing this experience with my amazing teammates these past few years.

The most memorable moment in rebels was when I was able to play with and against friends.

The most thing I'll miss about rebels is going to trips and spending time with teammates on and off the court.

The rebels have taught me that we are more than just a team, we are a family who always has each others back.

JULIAN HOANG #30

One of my most memorable moments in the Rebels program was my game winner against the Barons because it was against a local rival and it was a well fought game. The thing I will miss most about the Rebels is all the downtime we get during tournaments; so many laughs have been shared in between games. One thing playing with the Rebels has taught me is how to be a good leader. Commanding an offense leads to wins

My most memorable moment while in Rebels was traveling with the team. Just all of us playing, working hard in a different atmosphere, pregame warmups, and the thrill of us playing together was very fun and enjoyed every second of it. I will miss all the hangouts after the socials, last minute adventures with the team, getting food after games and events. It was all good vibes and laughter over and over again. Over the years, Rebels have taught me brotherhood and to enjoy the present. No matter what you do give it your all and move forward no matter the result. Also to have my teammates backs on and off the court. It's not about what I can do, it's about what we can do as a team.

One of my favorite memories was when Gavin threw the ball to Coach during the game like Coach was actually playing with us. And of course, when we played in the championship game against the Rising Suns, even though we lost. I'll miss playing with my teammates and all the fun we had. I'm grateful to have been part of a team where everyone supported and encouraged each other. I'll miss all the memories we made together. Rebels taught me that basketball is about more than just hooping, but having fun, working hard, and making memories with your team.

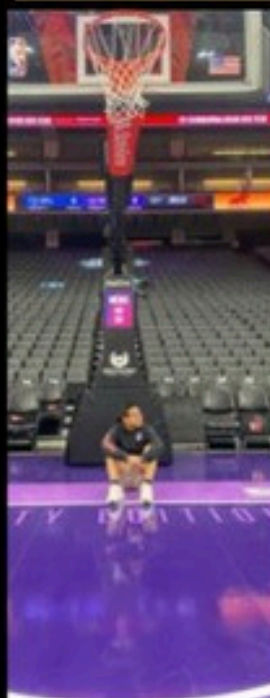

Jesse Raga #14

My most memorable moment with the Rebels organization was when we went to a tournament with only 6 players and we ended up with 5 players the second day of the tournament. The team consisted of 4 players at one point because one of my teammates had a bloody nose. Speaking of teammates, I will miss spending time with my teammates at socials the most out of anything. Even if there wasn't a social, we would gather at the hotel and still find a way to make the most of it. Rebels has taught me humility and has enhanced my ability to work with others. To play winning basketball with others means to free up others to have their moment and in turn, you will have your moment.

KAI ROMERO #8

My most memorable moment playing with Rebels was the SF Associates tournament my sophomore year. Between games, my teammates and I walked to the beach near the gym and relaxed. It was even better because we had two close, competitive games during Mother's Day weekend. And I think I'll miss the people the most because even though we aren't the best in our bracket, we're all close. Win or lose, I always have fun with my teammates, whether we're running around the hotel, getting food, or just chilling together. Rebels has taught me a lot about friendship because I've made friends from all over Sacramento and the Bay Area. It has also taught me how to have good competition through games and practices, because of how my peers and other teams players push me to get better.

Rylan Soto

My most memorable moments while playing on the rebels was walking with my brothers to catch movies or get some food after socials.

One major thing that I'll miss about the rebels is the team gatherings because of all the fun memories I've made with other teams and families.

Over time, Rebels has shown and taught me that basketball is more than just a game, but a sport where brothers are made. It has brought people together, created memories that will last a lifetime, and taught me the importance of trust, commitment, and having each other's backs.

Playing basketball with the Rebels organization has been such an amazing experience. I'm truly grateful for Coach Cesar, team manager, Enoch, my parents and all of my teammates along with their parents who became family made this journey so special.

From playing tournaments throughout the Bay Area and Reno to competing in local tournaments in Sacramento, there have been so many fun moments, exciting games, laughs, and unforgettable experiences. Every tournament gave us new challenges, opportunities to grow, and memories that I'll always carry with me.

Most importantly, I'm thankful for the friendships I've made along the way even with the opposing teammates along with their coaches and even with the refs. Basketball brought us together, but the memories and connections we made will last far beyond the court.

Thank you to everyone—the organization, my family, relatives, my mentors/coaches and friends especially my teammates aka Rice Ballers who have supported and encouraged me, and helped make this experience so memorable.

I'm proud to have been part of Rebels Basketball family and will always appreciate the time, friendships, and memories we shared. I've learned what it means to dare to be a Rebel.

Much Love! ~JR 🏀❤️

ISIAH YEUNG #28

My most memorable memory was all the hotel hangouts during tournaments. I will miss all the practices and getting to laugh every week with the guys, and of course the goat Coach Cesar. Rebels taught me the value of putting others before yourself. I also learned basketball is much more about the winning and the losing, but about the meaningful relationships that come out of it.

43rd Annual Invitational Basketball Tournament September 12-13, 2026

RULES AND REGULATIONS

PLAYER ELIGIBILITY / TEAM ROSTERS

1. Must be in high school or below; early high school graduates may be allowed by the Executive Board.
2. All game rosters must conform to the official tournament roster as approved by the Executive Board. Any changes to tournament team rosters should have been submitted and approved by the Executive Board prior to the tournament date.
3. Players not listed on the official tournament roster will not be allowed to play. Exceptions may be made on a case-by-case basis for team hardship if approved by the Executive Board.
4. Players are allowed to play for only one team and can be listed on only one roster. Failure to comply can lead to disqualification of the player from the tournament. Any exceptions must be approved by the Executive Board.
5. Each team must submit a Player Medical & Liability Release Agreement Form to the Gym Supervisor of the respective divisions signed by a parent or legal guardian of each tournament player. The waiver form must be submitted at least fifteen (15) minutes prior to the player's first game of the tournament before a player is eligible to play.
6. Each team must supply the official scorekeeper with the names and jersey numbers of team members no later than ten (10) minutes prior to the game.

HOME TEAM

1. Top of bracket unless otherwise specified.
2. Choice of bench.
3. Wears white jersey (Exception: Rebels is always Home team and will wear red or gray jersey).

POOL STANDINGS DETERMINED BY:

1. Best WIN/LOSS record.
2. Pool Play Tiebreakers (in the event there are teams with the same record):
 - a. Total quarters won in the first two games (or all three games in divisions with only 4 teams), not including any overtime play. If a tie remains, then:
 - b. Head-to-head: In the event that quarters won does not settle the tiebreaker and two teams are still tied, the head-to-head result between games played against each other will determine the higher seeding. If a tie remains, then:
 - c. Total Point Differential: The largest difference between winner and loser score - plus (+) if winner and minus (-) if loser. There will be a maximum value of +/- 15, regardless of the final score. Therefore, there will be no tiebreaker advantage whether winning by 15 points or 50 points.
 - d. Coin flip. If three (3) teams are tied in won/lost record, total quarters won, and Total Point Differential, then:
 - i. Coin flip: Three (3) team coin flip, odd coin out goes to championship. (i.e., simultaneously flip 3 coins, the team with a different result from the other two goes to championship).
 - ii. Head-to-head between the two (2) tied teams will determine who plays for third place and consolation.

CLASS OF 2027

TO OUR MVP,

WATCHING YOU PLAY BASKETBALL AND GROW OVER THE YEARS HAS BEEN SO SPECIAL. WE'RE SO PROUD OF HOW HARD YOU WORK, HOW YOU KEEP PUSHING, AND HOW MUCH YOU LOVE THE GAME. THE WINS AND LOSSES WILL COME AND GO, BUT THE MEMORIES, FRIENDSHIPS, AND LESSONS YOU MAKE ALONG THE WAY WILL STAY WITH YOU. KEEP HAVING FUN, KEEP WORKING HARD, AND ALWAYS BELIEVE IN YOURSELF. NO MATTER WHERE BASKETBALL TAKES YOU, WE'LL ALWAYS BE THERE CHEERING YOU ON. ❤️ WE LOVE YOU!

YOUR #1 FANS,
DAD, MOM, KUYA DESMOND, & JARED

KAI ROMERO #8

KAI, IT HAS BEEN AN HONOR TO WATCH YOU PLAY BALL ON THE COURT. WE ARE PROUD OF THE YOUNG MAN YOU ARE GROWING INTO. YOUR LOVE FOR THE GAME HAS GIVEN US MEMORIES THAT WILL LAST FOREVER. THANK YOU FOR THE LAUGHS, THE EXCITING CAR TRIPS, THE SHOE GAME AND ALWAYS FINDING THE POSITIVE IN EVERYTHING YOU DO.

**Love you forever,
Mom, Dad, Leilani & NIKOA**

To: Linden

We are so proud of the player you became on the court and the remarkable young man you are off it. Life is just like basketball, it requires teamwork, discipline in the court, moving forward after a missed shot, getting back up after falling down, and passing the ball to others when they need support. Remember that we are always here for you no matter what and we will always be in the stands cheering for you. We love you son and keep dreaming high and hit your goal.

-From: Mama & Papa

IAN PINEDA NO. 22
SENIOR CLASS 2027

IAN JOINED THE REBELS IN 2023, AND IT HAS TRULY BEEN A MEMORABLE EXPERIENCE. FROM THE FRIENDSHIPS HE'S MADE TO THE LESSONS HE'S LEARNED ALONG THE WAY, WE ARE SO GRATEFUL FOR THE JOURNEY HE HAS HAD WITH THIS TEAM. WE ARE INCREDIBLY PROUD OF THE YOUNG MAN HE HAS BECOME AND THE DEDICATION, CHARACTER, AND HEART HE BRINGS BOTH ON AND OFF THE COURT. WATCHING HIM GROW AS A PLAYER AND AS A PERSON HAS BEEN ONE OF OUR GREATEST JOYS. IAN, WE HOPE YOU ALWAYS REMEMBER THE HARD WORK, THE LAUGHS, THE CHALLENGES, AND ALL THE MEMORIES MADE ALONG THE WAY. KEEP BELIEVING IN YOURSELF, KEEP WORKING HARD, AND ALWAYS ENJOY THE GAME YOU LOVE.

WE ARE SO PROUD OF YOU SON!

TOP 5 ESTATE PLANNING MISTAKES TO AVOID

When it comes to estate planning, there are just some mistakes that you cannot afford to make. Below are five of the most critical estate planning mistakes.

NOT HAVING AN ESTATE PLAN.

Passing away intestate (without an estate plan) will assure that local law—not you—decides who ends up with your accounts and property when you are gone.

HAVING AN INCOMPLETE ESTATE PLAN.

Many people believe that a will or trust is the only estate planning document they need. The truth is, you need additional documents such as a financial power of attorney, medical power of attorney, advance directive, and HIPAA authorization form to protect you through all stages of life, not just death.

FAILING TO UPDATE BENEFICIARY DESIGNATIONS.

This includes insurance and retirement accounts. Some people are surprised to learn that beneficiary designations override instructions left in a will or trust.

NOT REVIEWING ESTATE PLANNING DOCUMENTS REGULARLY.

An estate plan should be reviewed every three to five years, or when major life changes occur for you or your loved ones. Circumstances change over time, and regular review ensures that you are protecting your loved ones' future.

NOT FUNDING YOUR TRUST.

If you are utilizing a trust as part of your estate plan, it is crucial that you transfer ownership of the appropriate accounts and property to ensure that the trust will function correctly. If you pass away and leave accounts and property outside of your trust, a probate case might be required, despite your goal of trying to avoid probate by creating the trust.

No one wants to think about his or her own disability or death—this is precisely why many avoid the topic of estate planning altogether. Avoid making these mistakes and leaving your loved ones at financial risk or stuck dealing with a time-consuming and expensive probate process. Contact us today to build a well-crafted plan for you and your family.
