

**39th ANNUAL INVITATIONAL  
BASKETBALL TOURNAMENT**  
APRIL 29 - 30, 2023

# WELCOME

April 29, 2023

Dear Players, Coaches, Parents, Families, and Friends,

Welcome to the Sacramento Rebels 39th Annual Invitational Basketball Tournament. This year, we are hosting 47 teams from Sacramento and the Bay Area and are glad to offer games across nine divisions.

Our goal is to provide youth an opportunity to compete and create friendships on and off the court. We ask that players and spectators display good sportsmanship. Let's keep things positive and have a fun, exciting weekend of basketball.

We also want to thank our tournament committee volunteers for the numerous meetings they attended and countless hours of planning they invested. Overall, we are so grateful for the overwhelming support of our Sacramento Rebels families. This tournament would not be a success without them!

Lastly, you are invited to join us at the ice cream and family socials on Saturday evening.

Thank you for your continued support.

Sincerely,

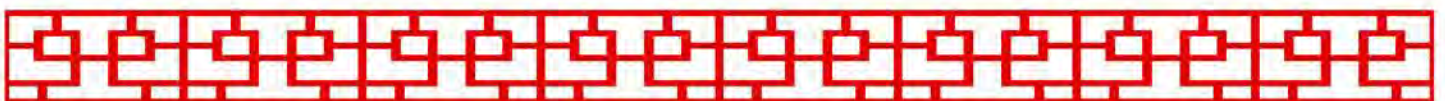

*Chris Lee*

I'm so glad to have chosen to play Asian League with the Rebels Organization. Without Rebels, I wouldn't have met my teammates who are more like sisters. Thank you to my Rebels sisters for always having my back, on and off the court, and never failing to make me smile. I will never forget our after-basketball shenanigans: boba runs, eating out after practices, singing karaoke in our cars, Reno Rager, posting each other slumped, and so much more. Je t'aime beaucoup! <3 I want to thank all the parents for driving us to our out-of-city tournaments, taking us to restaurants, and being our biggest cheerleaders on the sideline. Thank you to Coach for not only coaching us but taking time out of his day to drive us to wherever we wanted and always letting us have fun at practice. And lastly, I would like to thank my parents for not giving up on me, cheering me on, and always being my number 1 fans, even if it's embarrassing.

# Maddie Lee #11

My favorite memory of being a Rebel was the one time we did carpool karaoke after the final practice of the 2022 season. For our team, winning games or doing well at tournaments came second to having fun at socials or laughing away at nothing over yummy food—this is what makes our team so special.

Over the years, we have come to care more about our chemistry as a whole, which coincidentally carries over into how we play basketball; we finally won our first tournament in the 2022 season and even clinched a second. It's hard to believe this is the same team that would get blown out at every tournament back in 2019 and I couldn't be more proud of how far we've come. I am more than lucky to have been a part of such a tight-knit, loving family. No other experience could compare to my experience of being a Rebel.

To my teammates- thank you for taking on this journey with me and welcoming me with open arms when I joined in 8th grade. This whole experience wouldn't have been nearly as fun without you guys. Although we are going separate ways as we embark on our new chapters of life, I know that the connections we have formed with one another will last forever. You guys truly are my second family.

To Coach Ramon- thank you for absolutely everything you have done for me, not only as my coach, but as my friend too. You've taught me countless lessons about both basketball and life in generally and I am so lucky to have met you through this team.

To my parents- thank you for your unconditional support and always being there for me. This whole experience would have never been possible without your contributions and sacrifices.

I feel nothing but gratitude for this organization as it has given me countless opportunities to meet new people and create lifelong friendships. Bittersweet is probably the best word to describe this kind of departure, but this team and organization will forever have a piece of my heart. I love you all!

## Class of 2023

It's hard to pick a favorite memory with the Rebels. There were the car karaoke sessions, that time when we got chased by a homeless man, running in the rain to see the beam being lit after the Sacramento Kings 176-175 double OT win, tournament socials (Reno Rager!), and the countless boba runs after practices and games. But the memory that stands out to me the most is the 2022 Warlords championship game against the 2022 Rebels. It was close for the whole game, and we managed to win by 1 in the last few seconds. The post-game musubi tasted better than usual.

I'll miss this group of girls, playing basketball with them, and everything in between. I've been playing for the Rebels organization ever since 6th grade and leaving everything and everyone behind for college is scary, to put it simply. The memories and experiences I've had with this team will stay with me long after high school.

I want to thank my parents for driving me to tournaments and practices, for pouring their money, time, and hearts into Rebels, and for supporting me for my 18 years of life. I especially want to thank my dad and coach for his devotion and effort to better the team and for being my coach since elementary school (even though it's his fault that I'm 5'2"). I wouldn't be where I am today without my family. Thank you!

# NICOLE TRAN #12

My favorite memory during my time with Rebels was when we became friends with the Rising Suns in 7th grade. Even though we lost to them in an earlier game, we all agreed that the game was super fun because they were really nice to us. From that point on, our team shifted from staying within our own circle to befriending all of the teams we play against. Hanging out with all of the girls outside of basketball (especially at socials) is what made Rebels so much fun and special to me.

The thing I will miss the most about Rebels is going out to eat after games. We always have a good time and the team is always laughing, especially when Maddie and I take forever so we can get pictures of our food. I am so grateful to have been a part of this team since the start and I will cherish all of the memories. After high school, I plan to attend University of the Pacific in their Pre-Pharmacy program and obtain my Doctor of Pharmacy in five years.

I would like to thank Coach Ramon for putting his time and effort into this team, not many people believe in us like he does. We have definitely tested his patience and composure but we are lucky to have had him all of these years. I would like to thank my family for driving to tournaments every weekend to let me play and for always supporting me. Lastly, I would like to thank my teammates and the parents for being my second family, I love you all!

# LadyRebels2023

A very special thank you to both of my parents for not only guiding me, but helping me to become the best version of myself at all times. Appreciate all your time and commitment in making this organization successful.

To my Rebels teammates, thank you for the unforgettable memories and unbreakable bonds that we made over the years. This is something special I will always cherish.

To coach, it was an honor these past 7 years for teaching us the game of basketball. Thank you for your time, commitment and putting up with me.

Lastly, thank you to everyone who's been a part of the Rebels family, who has always been supporting us through thick and thin! We appreciate everything that you do, much love <3

To my parents, coaches, and rebels family, thank you for supporting and pushing me to become the best version of myself. In my time spent with this amazing team, I have created everlasting friendships and memories that I can cherish for a lifetime. I truly believe that there is no other team that has better chemistry than we do. Our love for each other goes beyond basketball and I am forever grateful for that. Though we will each end up on a different path, I hope one day we find each other at the same rager or party. Love y'all for life!

11th Grade Boys  
10th Grade Boys  
8th Grade Boys & Girls  
7th Grade Boys & Girls  
6th Grade Boys  
5th Grade Boys

### **PLAYER ELIGIBILITY / TEAM ROSTERS**

1. Must be in high school or below; early high school graduates may be allowed by the Executive Board.
2. All game rosters must conform to the official tournament roster as approved by the Executive Board. Any changes to tournament team rosters should have been submitted and approved by the Executive Board prior to the tournament date.
3. Players not listed on the official tournament roster will not be allowed to play. Exceptions may be made on a case-by-case basis for team hardship if approved by the Executive Board.
4. Players are allowed to play for only one team and can be listed on only one roster. Failure to comply can lead to disqualification of the player from the tournament.
5. Each team must submit a Player Medical & Liability Release Agreement Form to the Gym Coordinator of the respective divisions signed by a parent or legal guardian of each tournament player. The waiver form must be submitted at least fifteen (15) minutes prior to the player's first game of the tournament before a player is eligible to play.
6. Each team must supply the official scorekeeper with the names and jersey numbers of team members no later than ten (10) minutes prior to the game.

### **HOME TEAM / VISITING TEAM**

1. Rebels – Always home team and will wear red.
2. Home team – Top of bracket unless otherwise specified and has choice of jersey color.
3. Visiting team – Choice of bench.

### **POOL STANDINGS DETERMINED BY:**

1. Best WIN/LOSS record.
2. Pool Play Tiebreakers (in the event there are teams with the same record):
  - a. Total quarters won in first two games, not including any overtime play. ½ quarter won for tied quarters. If a tie remains, then:

b. Head-to-head: In the event that quarters won does not settle the tiebreaker, and two teams are still tied, the head-to-head result between games played against each other will determine the higher seeding. If a tie remains, then:

c. Total Point Differential: The largest difference between winner and loser score - plus (+) if winner and minus (-) if loser. There will be a maximum value of +/- 15, regardless of the final score. Therefore, there will be no tiebreaker advantage whether winning by 15 points or 50 points.

d. Coin flip. If three (3) teams are tied in won/lost record, total quarters won, and Total Point Differential, then:

i. Coin flip: Three (3) team coin flip, odd coin out goes to championship.

ii. Head-to-head between the two (2) tied teams will determine who plays for third place and consolation.

## **RULES**

All games will be played under the Basketball Rule Book of the National Federation of State High Schools (2022-2023) with the exception of rules noted on these next few pages.
