THE WHISKY

Nose: A lot going on here. Starting with dates, then moving onto mature oak. Comforting - like a worn leather recliner. This is undoubtedly a complex whisky.

Palette: Explosion of flavors. Dark chocolate, side-by-side with an espresso. Don't forget the fruits though, are you tasting fresh oranges and some candies? How about the dates that you were chewing earlier ... With a drop of water, turn this into a milk chocolate sensation.

Finish: Long, dark chocolate, herbs, and a little ash surfaces.

THE WHISKY

"Precious Ride" by KT518 is the final installment of the Happy Loner series. This artwork depicts a curious cat finding solo joy on a merry-go-round ride, poised to embrace life's ups and downs.

We have selected a Linkwood 15-years-old to compliment the artwork.

The Linkwood has undergone a secondary maturation in a first fill oloroso sherry cask. This adds another layer of flavors to the whisky with dark chocolate, dried figs, dried dates, and herbal liquor.

THE WHISKY

The third release in the Happy Loner Series, titled the “Purrfect Day”, captures the carefree spirit of our feline friend, who's too busy enjoying the sun and taking a purr-fect selfie at a busy beach to worry about what others think.

To complement this artwork, we have selected a beautiful Glen Keith 25-years-old whisky, distilled in 1998 and matured in a 1st fill bourbon barrel.

Rich and sweet, with notes of caramel fudge, butterscotch, hot pancake with syrup, melted butter and lots of fruits, this whisky is sure to put a smile on your face

Distillery – Caol Ila– Islay

Aged 11 years

Distilled – 2013

Bottled – 2024

ABV 52.9%

Cask – First fill Oloroso Hogshead #304868

Bottles - 282 - Only 24 bottles for the US Market

THE WHISKY

The fourth bottle in this series is an 11-year-old Caol Ila. Caol Ila is one of the few Scottish distilleries that has consistently produced high-quality whisky throughout the 20th and 21st centuries. Its signature ashy and salty profile makes it a remarkable Islay whisky with immense popularity.

This Caol Ila was distilled in 2013 and subsequently transferred to a fresh oloroso sherry solera cask in 2022, allowing the whisky to undergo secondary maturation and add a layer of complexity.

The result is a multi-dimensional whisky, where the peat, ash, and coastal flavors are perfectly fused with the dry, nutty, and rich texture of oloroso sherry

Distillery – Secret Lowland

Aged 10 years

Distilled – 2013

Bottled – 2024

ABV 54.4%

Cask – Second Fill Oloroso Hogshead #141

Bottles - 355 - Only 36 bottles for the US Market

THE WHISKY

The third bottle of this series is a 10-year-old Secret Lowland Single Malt. While we are not allowed to disclose the distillery on the label, its name starts with a "G".

There are very few independently bottled expressions of this distillery and that's why we are so keen to have it in the bottle.

This whisky was matured in a 2nd fill oloroso hogshead for a very long time, resulting in an unprecedented and unique profile of grilled kale, star anise, exotic spices, cherry liqueur and herbal liqueur. It shows us there are many possibilities in whisky making.
