Dear Members and Friends,

Hope this message finds you well. I personally wanted to take a moment to thank each and every member who has volunteered one hour, one shift or who works the booth weekly! I'd also like to thank Phil Faccone who is the booth Chairman and prepares the bags and does the weekly tallies, and Paul Desilva who coordinates our weekly scheduling.

It is with great pride, especially during this tough economic environment when boardwalk businesses are struggling, to announce that as of the first week of August we have sold enough to pay off the Jeep!! While this is a great accomplishment that we should all be proud of.....we need to work even harder until the end! Now every dollar we sell allows us to give scholarships and help organizations and families in need throughout the community. Let's finish strong right up until October 12th!!!

Enjoy the rest of the summer and look forward to seeing everyone at our August meeting next Monday.

God Bless, Skip
