COMPETITION BBQ MADE EASY

- Riffs meats are made competition-style and hand pulled (not shredded). That means no fillers and no gristle. Customers taste the difference.
- Makes one serving ONLY; never throw away great leftover meat - never let it get dry sitting out, either.
- No prep, no cleanup. Heat the BPA-free pouch for 90 seconds. Add meat to your dish. Done.
- Make anything: sandwiches, nachos, BBQ tacos, chicken salads, or dumplings **to order** - all without having to guess how much meat you'll need.
