September  2021

## Is this Normal?

*“May God be gracious to us and bless us and make his face shine upon us...” (Psalm 67)*

We were hoping that everything would be back to normal by now. We were hoping that every single one of you, our church family, would be busting down our doors and be ready to be back in church. We were hoping that there wouldn't be any cloud of pandemic left in the sky by now. We were hoping to have a great big family reunion on Rally Sunday where we could hug and share a meal and reconnect in a glorious way.

It might not be how we had hoped, but make no mistake, God is at work.

My heart is full when I think about the many ways that God is working in our congregation. This summer alone, children experienced God in amazing ways at a successful VBS. An inspired youth group returned from a life-changing week of serving on a mission trip in Idaho. We made improvements to the outside of our building with new siding and windows. Our online ministry is reaching people we never thought possible, we have new members waiting to join, and visitors attending weekly. We have welcomed a new Intern Pastor (Welcome, Hillary!) and will be the church that helps her grow into her pastoral call. We are fully staffed and have even expanded staffing in the midst of a pandemic. Our staff and our council continues to be incredibly dedicated, talented, and passionate about sharing the love of Jesus with others.

There is much excitement amongst staff and committees of Peace to welcome you back from your summer adventures, and see how God may work in and through us this year!

Rally Day is scheduled for Sunday, September 19th. We plan to be in-person this year for weekly Sunday School, Confirmation, Bible Studies and Worship. We have made provisions for safety within our programs. We will embrace how God has used us this past year to move forward and be open to the Spirit's leading and guiding us as a congregation this year, and we will continue to develop and perfect our online worship experience for those that are only able to join us online.

Please join us how you are able! Oh – and invite a friend, a neighbor, or a co-worker too! Let's “RALLY” together as we gear up for a great year of ministry here at Peace Lutheran Church!

Here is the information for Rally Sunday that you won't want to miss out on!

- ◆ 8:30am & 10:45am - Worship with Communion (10:45am is an abbreviated service)
- ◆ 9:35am - 10:35am - Education Hour & Rally Day Activities for Children
- ◆ Register for Sunday School
- ◆ Pick up information for upcoming Adult Education opportunities
- ◆ Enjoy activities and games with your children...take a bounce in the bounce house!
- ◆ Enjoy treats and coffee and fellowship together!

We look forward to a great day spent together as we engage in God's love and community!  
See you on Rally Day!!

Greetings Brothers and Sisters in Christ at Peace Lutheran Church!

My name is Hillary Toulson. I am the new intern here at Peace starting September 1st, 2021. I live in Baldwin, WI with my husband, Sam, 8-year-old daughter, Lillian, 5-year-old son, Oscar, and 20-month-old daughter, Eloise. As a family, we enjoy going on walks, swimming, and getting ice cream. Sam works as a warehouse specialist at Uline in Hudson, WI. Lillian will be in 3rd grade and Oscar will be in kindergarten this year. Both attend Greenfield Elementary in Baldwin. Lillian enjoys dancing. Oscar enjoys imaginative play. Eloise loves anything that her brother does. All three keep Sam and I very busy with activities.

I am a student at Luther Seminary in St. Paul in the Masters of Divinity program. I am seeking ordination in the ELCA in Word and Sacrament. I started seminary part-time in 2017 as a Distributive Learner while keeping my full-time job as a 4th-grade teacher. My internship is an accumulating internship. My current plan is to graduate in May of 2022. After graduation, I will be seeking my first call here in the Northwest Wisconsin Synod in the Fall of 2022.

I taught in the Somerset School District for eleven years as a 4th-grade teacher and as a special education teacher. Prior to that, I taught in Osceola for two years as a special education teacher at the Middle School. I am excited to use my knowledge and skills in education with a new lens of ministry. In my free time, I enjoy kayaking, walking, and reading novels. I hope during internship to pick up some new hobbies including sewing.

Thank you for opening your doors as a congregation to internship candidates. I am excited for all the lessons God has in store for me to learn in this next year. I am grateful for this opportunity to be part of the Peace community. I can't wait to get to know all of you. Thank you for this amazing gift of internship.

God's Blessings, Hillary Toulson

# OUTREACH OPPORTUNITIES

## Help for Haiti

John and Mary Lee raised 2 adopted daughters from Haiti. They also sponsored the girls' older sister, Miquette Denie, in the U.S. for 7 years. Miquette became an R.N., and chose to return to Haiti to help children break the cycle of poverty. She has an amazing website [TeacHaiti.org](http://TeacHaiti.org), talking about the Christian schools she has founded. Mary Lee is on TeacHaiti's 9 member board of directors.

**On her site, Miquette offers to accept donations to help local people in the earthquake crisis. All donated money will go to food, water, shelter, or medical care for earthquake victims in Port Au Prince. She is a respected local person who sees the need first-hand.**

You can donate to this 501c3 (tax deductible) organization by going to the website, clicking 'donate', and choosing 'Earthquake Relief'. Or, you may send a check made out to 'TeacHaiti' to: TeacHaiti, PO Box 1173, Detroit Lakes, MN 56502. In the memo line designate 'disaster relief'. The money sent to Detroit Lakes will be immediately sent to her without processing fees.

## Boy's Shorts for Africa

If you see close out prices on boys shorts at the end of the summer, please buy some for boys in Africa. Elastic banded shorts are needed, sizes 4 to 16. No buttons or zippers.

Thank you! Outreach Ministry

## Volunteers Needed!

Pat Adam & Diane Moser attended, representing Peace Church along with several members from other community churches. The main need currently is **VOLUNTEERS!**

We are looking for 2-4 volunteers from Peace to help just 1/2 day a week or every other week on a Wednesday or Thursday. If you feel compelled to help keep this ministry going please talk to Pat in the office.

**People Loving People** (Thrift Store & Food Ministry) in Dresser, has lost their connection for food allocations. They are in real need of non-perishable food donations to distribute to people in our community. Any donation is helpful.

**BackPack Program** The Open Cupboard in Osceola packs approximately 35 backpacks with non-perishable food for qualifying school children to take home for the weekend. This is to ensure these children have food to eat when the school lunches are not available.

Peace Lutheran has been asked to donate the following items for the backpacks:

- ◆ Boxed (pkgs) of Instant Oatmeal
- ◆ Tuna (packaged in water-not in cans)

There is a basket on a table in the Narthex labeled for these items.

# PARISH NURSE NOTES

---

As I sat down to compose my Tidings page, it was announced that the FDA has granted full approval to Pfizer's COVID-19 vaccine. The shot had to clear rigorous testing before it was authorized for emergency use last December, and it's been studied extensively since then. This is more proof that getting the vaccine is safe and not only saves lives, but also prevents physical and emotional exhaustion of our overburdened health care workers and undoubtedly saves money.

Here's another possible warning sign of a progressing type of dementia: \*MEMORY LOSS THAT DISRUPTS DAILY LIFE. One of the most common signs of early Dementia is forgetting recently learned information. Others include forgetting important dates or events, asking the same question over and over again, or increasingly needing to rely on memory aids (such as reminder notes) or family members for things the person used to handle on their own. **What's a typical age-related change?** Sometimes forgetting names or appointments, but remembering them later.

**September is Prostate Health Month.** BHP -- Benign Prostatic Hyperplasia -- is the

of men age 80 and older will have BPH

medical term for an enlarged prostate. An enlarged prostate is not cancerous and is the most common prostate health problem among men over 50. The symptoms of BPH may be uncomfortable and may include frequent urination, incomplete emptying of the bladder, a weak urine stream, or difficulty starting urination. BPH is a condition associated with aging, probably due to hormonal changes. Among men over 50, prostate enlargement may continue through the rest of their lives.

In the early phase of prostate enlargement, a man may find it very hard to urinate because the bladder muscle has to work harder to push urine through a narrowing urethra. Over time, the bladder muscle may weaken, so that urine is not completely excreted. Any unusual variation, or difficulty in the pattern of urination, is a red flag that a prostate problem may exist.

Treatment for BPH is strongly recommended for any man whose symptoms interrupt his life. If BPH is left untreated, it can lead to further problems, such as the inability to urinate, urinary tract infections, bladder or kidney damage, bladder stones, and incontinence. Treatment options include watchful waiting/surveillance, drug therapy and surgery. Be sure to have a conversation with your provider if you're suffering from any of the symptoms of BPH.

As we escort out summertime, may it be well with all of you, *Karen*

# STEWARDSHIP NOTES

---

*“By your great skill in trading you have increased your wealth, and because of your wealth your heart has grown proud.”* Ezekiel 28:5, New International Version.

This verse is a part of a prophecy against Tyre, the Phoenician capitol. By using the Babylonians under Nebuchadnezzar to conquer them, God punished the Phoenicians for celebrating the destruction of Jerusalem. The Phoenicians were very well off, but their pagan culture led them to give themselves, rather than God, the credit for the wealth they had accumulated.

We too have amassed great wealth. Our standard of living is at or near the top of a list of the world’s societies. Do we give in to the same temptation to pride and arrogance that snared the Phoenicians? The Psalmist attributes to God the idea that, “...every animal of the forest is mine, and the cattle on a thousand hills.” Psalm 50:10. Let’s remember that, as Jesus taught His disciples, “...From everyone who has been given much, much will be demanded; and from the one who has been entrusted with much, much more will be asked.” Luke 12:48b.

See you next month!

The Mission of the Stewardship Ministry of Peace Lutheran Church is to educate all Peace members about God’s Scriptural teachings regarding stewardship; namely, that our lives and our property belong to God, and that our grateful response should include generously, intentionally, proportionately, and joyfully sharing our time, talent, and treasure for use in His service.
