## Rise

*“Arise, shine, for your light has come and the glory of the LORD has risen upon you.” -Isaiah 60:1*

Our Lenten journey continues into the month of April. On Wednesday nights, we have been visiting the places that Jesus went the last few days of his life. We have been scattered throughout this journey in places like the City of Jerusalem and Bethany. We have heard Jesus’ warnings of the time coming when he will not be with us anymore. Do we feel scattered? Do we feel alone? Do we feel like we are wandering in the wilderness? This section of Isaiah has a subheading of Ingathering of the Dispersed. Have we felt dispersed in this Lenten journey?

Even if we have felt dispersed, now is the time to gather together. No, we are not alone. No, we are not wandering. We will RISE together with Jesus in his resurrection. We will see the light shining brightly from a resurrected Christ. The glory of the LORD will RISE upon us. Our light will come. Our hope will come. In and through the Resurrected Christ.

Come journey with us here at Peace Lutheran Church. Visit during Holy Week to our Maundy Thursday, Good Friday, or Easter Sunday services or view online.

This month let us Rise together with Christ Jesus. See the light and the hope in the glory of the LORD: Jesus Christ.

Blessings-  
Intern Hillary

## Blessing Ministry Update

February and March were successful months filled with blessings celebrated with the Peace community. Thank you for sharing your milestones with us. We had birthdays, wedding anniversaries, sports achievements, new babies, and more celebrated as a community.

We want to continue to celebrate each and every member of the Peace Community with milestones in your life. Please fill out the google form for the Blessings Ministry which is included with our weekly email. Each week during announcement and celebration time, we will give special blessings for life milestones.

In February, the special blessing was for School District Employees. There are many people who are part of the Peace community who work in our local school districts. Thank you for your hard work and dedication. If you didn't receive your small gift of appreciation, please talk with Intern Hillary.

In March the special group blessing was for the Youth of Peace. Thank you for the joy you bring to our community. We are blessed by you daily.. If you didn't receive your small blessing gift, please see Intern Hillary.

April's special blessing group will be the Quilters. A special blessing will be given on Sunday, April 24th during our 8:30 am service. This date is a week late because of Easter. These amazing quilters work hard to provide many organizations and our community with warm quilts. Thank you for your hard work!

## Easter Message from Bishop Laurie Skow-Anderson

*So if anyone is in Christ, there is a new creation:  
everything old has passed away; see, everything has become new!*  
2 Corinthians 5:17

Dear Northwest Synod of Wisconsin,

Christ is Risen! He is Risen Indeed! This is the good news of Easter. By God's power death is reversed and Christ is raised from the dead. Jesus' resurrection from the dead changes everything! Everything is made new.

Change is good news after two years of a pandemic, right? We are ready for a change. But are we really? Do we want everything to become new like we read in 2 Corinthians 5 or do we want the change to be a return to the old and familiar?

If Jesus' resurrection from the dead changes everything, then what has changed in your life? What difference does Jesus make in your life? What has Jesus made new?

What difference does Jesus make to my 35 year old nephew whose brain tumor came back, faces radiation treatments and is struggling with his ex for visitation of their three year old son?

What difference does Jesus mean to our siblings in Malawi who are often threatened by drought, flood and famine or to Ukrainians whose homes were destroyed by a Russian bomb?

What difference does Jesus make to a stable congregation deciding what their next most faithful step might be or to a declining congregation wondering if their next most faithful step is to close?

As Lutherans we believe that we are baptized into Christ's death and resurrection, we go under the water as a sinner and we are resurrected with Christ, lifted out of the water, a saint. We are changed for sure and we are reborn children of God! Theologically that's beautiful, but in real life, what difference does Jesus make in your life?

As human beings, Christ's resurrection from the dead challenges us to live into that change. As broken sinful humans, whose lives are "messed or mangled" we live into Easter reality that Christ is present and daily working in our lives. Jesus challenges and changes us. Those of us who doubt our faith and question its relevance are challenged by Easter's promise to see and know God in the transformed lives around us.

Friends we know that Jesus changes our weeping into laughing, our mourning into dancing, our despair into hope, our winter into spring and our death into life. Jesus changes things and makes all things new. We are challenged to see the transformations around us and in us. We are challenged to be the change, evidence of the transformation, for the world to see and know God through us.

Easter Blessings-

Bishop Laurie Skow-Anderson

*Christ Has Risen While Earth Slumbers*

Christ has risen and forever lives,  
to challenge and to change.  
All whose lives are messed or mangled,  
all who find religion strange.  
Christ is risen, Christ is present,  
making us what he has been:  
evidence of transformation  
in which God is known and seen.

# PARISH NURSE NOTES

---

This is the last in the Alzheimer's Association series of the **ten signs** that may indicate some form of dementia in you or someone you love. An appointment with one's medical provider is recommended if someone you know displays CHALLENGES IN PLANNING OR SOLVING PROBLEMS. Some people may experience changes in their ability to follow a plan or work with numbers. For example they may have trouble following a familiar recipe or keeping track of monthly bills, and take longer to do these things than they did before. **What's a typical age-related change?** Making occasional errors when balancing a checkbook.

**SLEEP.** It's a vital part of living yet many of us have trouble getting a good night's rest. The following addresses what is referred to as Sleep Hygiene, a collection of good habits that we should use in the time leading up to bedtime. Here are some habits that encourage good sleep quality and longer sleep times.

- ◆ Use your bedroom for sleep only -- avoid having a TV in your room and turn off your phone and other screens a half hour before bed
- ◆ Exercise sensibly during the day but not too close to bedtime
- ◆ Get some sunlight during the day to set your sleep clock
- ◆ Make your bedroom dark, quiet, cozy & comfortable and at a cool temperature
- ◆ Set a sleep routine of going to bed and waking at roughly the same time
- ◆ Meditate, pray or engage in a relaxation routine

Check out more good sleep hygiene tips posted in the church's bathroom stalls.

I think **medication lists** given to patients after a clinic visit or upon hospital discharge can be confusing. Often the "as needed" medications are listed in with the scheduled ones; sometimes trade and generic names of the meds are used interchangeably. If you're just not sure you understand what you're supposed to be taking, please give me a call and we can work together to get it figured out!

Easter Blessings to all of our Peace family, *Karen*

## PLC Property Committee

The Property Committee meets bi-monthly (or as needed) to discuss any needs or concerns with the Church building and the grounds of Peace. We oversee the lawn mowing, snow plowing, custodial and any maintenance, which includes the upkeep of our HVAC system and yearly inspections as warranted for the sprinkler system and fire extinguishing equipment.

We have been compiling a list of projects and/or equipment that will be needed in the upcoming years at Peace. If you have any questions about the following items or wish to help or support that project, please talk to one of the property members.

Thank you for your support toward the upkeep of our church building.

### From the Media Department...

We have received all of our new audio equipment. It has been a great addition in creating better sound for the sanctuary and for our livestream.

There was a wait to get all of the video equipment, but it is almost completely in house. One last piece should be arriving within two weeks. We are still waiting for the wiring to be installed.

If you look in the back of the sanctuary you will see the new and expanded sound booth taking shape. This is just one more step with locating our team all in one place.

We are still looking for people of all ages to be part of our media team for the sanctuary and live-streaming. We welcome anyone who would be willing to volunteer on Sunday morning or any of our other events. We will train you. Our hope is to get a rotation of people to serve on Sunday mornings.

Do you have a story to share? We are always looking for people to share about the word of the month or their star word. Reach out to Tammy or Intern Pastor Hillary. We want to keep this ministry of sharing on the screen a part of our service, but we need your voice to make it happen. Please know that your words could change the world for one person or the entire world and we will help you share them.

# This-n-That

**Family House Homeless Shelter** is still being remodeled. State regulations have held up the process. Apparently, it isn't possible to remodel a closet into a small sink/toilet room without an architect! We have everything ready for the 8 rooms under our Peace umbrella. We only need living room curtains. We have enough money to buy them, when we have the window dimensions. Thank you so much for your tremendous generosity! We have been blessed to be a blessing!

**Sock Drive:** You donated 550 pairs of socks! Think how many people that will help! Socks have already been sent to Grace Place homeless shelter in New Richmond, CRA women's shelter in Milltown, and the Polk County Jail. We have a large bag left for the new Family House Homeless Shelter when it is ready. Another large bag will go to Sharing and Caring Hands (Mary Jo Copeland) in Minneapolis the next time we send quilts there. Thank you so much for your caring hearts!

**Lutheran Disaster Response** is accompanying our companions in Ukraine, Hungary, Poland and Slovakia, in their humanitarian responses to the crisis. These partners provide refugees with immediate support and supplies such as food, blankets, water and hygiene kits.

If you would like to designate a donation to help those listed above, please write "Eastern Europe Crisis Response" and include with your donation. The donation may be sent to:

ELCA Gifts Processing Center  
PO Box 1908, Merrifield, VA 22116-8009.

**April 25th: Peace Free Clothing Event.** Bring your spring & summer clothing donations in beginning the week of April 17th. When you bring your clothing items it would be VERY helpful if they were sorted such as children's clothing in one bag, women's in another, etc.

Help is needed setting up on Sun., April 24th at 9:30am. Paper & plastic bags are also needed for the "shoppers" on that day.

## Sunday, April 24th is Denim Day @ Peace

Denim Day is celebrated each year as a campaign against sexual violence. Wearing denim is to show support for the survivors and victims. A staff member of the CRA (Community Resource Agency) which is a women's shelter located in Milltown will be at Peace to talk about the mission and ministry of their shelter.

# STEWARDSHIP CORNER

*“When you have finished setting aside a tenth of all your produce in the third year, the year of the tithe, you shall give it to the Levite, the alien, the fatherless, and the widow, so that they may eat in your towns and be satisfied.” Deuteronomy 26:12.*

This instruction is part of Moses’ farewell address to the Israelites, who were about to enter the Promised Land. Because of Moses’ sin, the Lord had declared that Moses would die before he entered Canaan. In this passage, Moses is passing along God’s instructions for a “special offering,” which was in addition to their regular tithes, to show their gratitude for God’s blessings and protection during their journey.

Do we follow Moses’ instructions? When we are blessed with good health, prosperity, meaningful ministries, and loving relationships, do we give ourselves the credit? Or do we thank and praise God by giving generously, joyously, and intentionally of the time, talent, and treasure God has given us?

See you next month!

The Mission of the Stewardship Ministry of Peace Lutheran Church is to educate all Peace members about God’s Scriptural teachings regarding stewardship; namely, that our lives and our property belong to God, and that our grateful response should include generously, intentionally, proportionately, and joyfully sharing our time, talent, and treasure for use in His service.

Members of this ministry are Pete Peterson, Diane Lechman, and Maggie Isaacson.

Are you using the Vanco Mobile app or Simply Giving for gifts to Peace? While we appreciate it immensely, the service is rather expensive. You may want to explore having your gifts sent directly to Peace from your bank account, which is free of charge to you and to Peace. Thanks!

### Congregations LEAD Initiative

What is LEAD? Peace applied for and was awarded participation in a program called Congregations LEAD Initiative. This new, two-year program consists of members from 48 congregations across the ELCA. These 48 congregations represent 27 ELCA synods in 20 states and Puerto Rico. A focus of the group is that as the world continues to change and grow more complex, what does this mean for ministry, today and in the future.

During the two-year initiative, we will participate in sponsored learning events, conduct multiple ministry experiments, network with a cohort of other congregations doing similar work and receive group coaching for support and guidance. At the end of the initiative, we may be eligible to receive a grant for the purpose of conducting a ministry experiment.

As part of our first assignment, each team member has had conversations with 2-3 people, some members of Peace and others that are community members. From these conversations, we are learning what Peace means to people in our community and in our church and what being a part of a church means to them.

Peace team members are Pastor Melissa, Intern Hillary, Pat Adam, Tammy Brenizer, Cheryl Bjornstad and Ronda Haley.

Join Pastor Melissa and  
Intern Pastor Hillary!
