

Circle of Love

RESIDENT REFERRAL PROGRAM

We're excited to launch our Circle of Love Resident Referral Program!

We believe love multiplies when shared. Whether it's a relative, friend, neighbor, church member, or client—if they're looking for a small, caring senior living home with caregivers on-site to provide personal care services, safety supervision, early to moderate-stage dementia support, medication reminders, companionship, etc., *refer them to us at CoHomes.org/Referral*. If they move in, you'll both be rewarded!

\$500 CASH REWARD

Long-Term Stay:

The referring person (you) will be rewarded **\$500** for a new resident that stays over 30 days. Plus, the new long-term resident will receive a **\$500** Rent Credit.

\$50 CASH REWARD

Short-Term Stay:

The referring person (you) will be rewarded **\$50** for a new resident that stays 5-30 days. Plus, the new short-term resident will receive a **\$50** Rent Credit.

PAYMENT

Payment Terms:

The referring person (you) will be contacted after the new resident moves in and we will discuss your preferred payment method.

OTHER IMPORTANT INFORMATION

Referral Tracking: Each resident referral form will be time-stamped to alleviate duplicate submissions and is subject to the determination of appropriateness for residency according to applicable laws and regulations. Each referral is valid for 90 days.

Payment Information: The cash reward will be paid by check or Zelle within 30 to 60 days, and the new resident's rent credit will be applied to their first month's rent. The cash reward may be considered taxable income. If you cannot accept the cash reward, it will be applied to the new resident's rent credit. Rent credits are non-transferable and cannot be converted to cash. If the resident passes away or moves out for any reason within 30 days of a long-term stay or during their short-term stay, the cash reward will be prorated by the days of their stay.

Modifications and Restrictions: Our Resident Referral Programs cannot be combined with other offers and may be modified, paused, or discontinued at any time (however, this will not affect the reward/credit for resident referral forms that were received before a change is made). Referral Agents and their clients can not participate in this program unless no other signed agreement is in effect or a contract adjustment is mutually agreed upon. The referring person's name and information will remain confidential. Returning residents are not considered as a new resident. CoHomes accepts private pay only. Call if you have questions.
