

BENEFITS OF ASSOCIATE MEMBERSHIP

WHY JOIN OAPA?

1. LEADERSHIP

The members of OAPA form a strong coalition in promoting the use of asphalt pavements. OAPA is the voice for the asphalt industry in Oklahoma on specifications, production and quality control on the state, county, and city level, as well as informing the traveling public.

4. EDUCATION

The OAPA staff and members are committed to educating contracting agencies and the traveling public about the advantages of asphalt pavements, including safety, speed of construction, smoothness, quiet ride, sustainability and strong environmental benefits.

2. INDUSTRY LIAISON

OAPA meets with ODOT, OTA, Oklahoma County Commissioners, municipalities and consulting engineers to represent the asphalt industry and present new methods, specifications and technologies to further promote the use of quality asphalt pavements.

5. TECHNICAL ASSISTANCE

The experienced staff of OAPA provides technical assistance to engineers, contractors and governing bodies on how to properly design, construct, troubleshoot or rehabilitate asphalt pavements.

3. TECHNOLOGY & INNOVATION

OAPA is a clearing house for the latest national and international technologies and innovations in the asphalt industry. OAPA presents these advancements in seminars, conferences, and "Lunch & Learns" throughout the year.

6. NETWORKING

OAPA provides multiple opportunities throughout the year to mix with other professionals in the industry, including the Asphalt Conference, Annual Membership Meeting and Golf Tournament.

WHO CAN JOIN?

Oklahoma Asphalt Pavement Association Associate Members are persons, firms, organizations and corporations who sell or otherwise make available equipment, materials, and special services, all relating to the production and construction of asphalt. Special services shall include trucking, insurance, testing laboratories, safety, and finance.

For information on how to join and membership dues information, please contact Nicole Smith, Director of Communications, at nsmith@okhotmix.com or (405) 524-7675.
