Message from the Headteacher

Asalaam Alaiyka parents and carers,

This first half of term has passed by so speedily that it's hard to imagine that one sixth of the school year is already complete.

Our Reception teachers have been busy with their Reception Baseline Assessments and I would like to thank Mrs. Al-Sader and Mrs. Aksouh for their hard work in this regard. The assessments are used as a baseline to track a child's progress from the beginning of Reception all the way through to Year 6.

I am delighted to report that we have begun to take part in some competitive sport this term with six of our children taking part in and performing very well in a Harrow school's badminton competition. Just after half term, our first football team will be "playing away from home" at the Hive. I am sure that they will give of their best Insha'Allah. In the meantime some of our children, chosen at random will visit Wembley stadium over half term to watch the England v Australia rugby match.

Year 3 visited the Chiltern Open Air Museum last week to enhance and enrich their learning around the stone age and the bronze age. The feedback has been outstanding and I was hugely impressed with the "axes" they made during their visit. Year 2 visited Winsor Castle to enrich their learning about British Monarchs. Again, an enjoyable and valuable learning opportunity was enjoyed by all. Once again, arrangements for our children to enter The Bebras Challenge will commence. The challenge is delivered in partnership with Oxford University and introduces computational thinking to students worldwide. The challenge will take place in school (more information to follow). Many thanks to Mrs. Rizvi, who is acting Computing lead during the period of Mrs. Somji's maternity leave. I am hoping that we can take part in another debating competition, particularly as we now have LAMDA certificated public speakers in the school.

I have also asked teachers to use google classroom to provide you with details of the upcoming BBC 500 words competition which is open to children from 5-11 and encourages them to simply write a story they would love to read in under 500 words. The competition runs independently from the school and might be a lovely half-term activity. This is the link for any parent that would like to register their son or daughter [How to submit your stories - BBC Teach](#), please note that all entries must be in by the 7th November.

A huge thank you to all our parents who are helping with the walking bus scheme and those who are helping to maintain better relations with our neighbours by assisting at various parking areas around the school.

The Hujjat Walking Club will meet for a walk on Saturday 1st November (see email for details) and we will try to hold a final gardening day in November, weather permitting.

We are delighted to introduce you to our [new donations page](#) on the Hujjat Primary website. Over the last few months, we have been actively collaborating with a small group of parents to embark on a fundraising initiative aimed at further enhancing the educational environment at Hujjat Primary, where every child has/will have the opportunity to flourish academically, spiritually, and emotionally.

By clicking on the ["Donate"](#) page on the main school website, you will be able to navigate to a specially created landing page that allows you to view a range of exciting initiatives and ambitious projects we will/are looking to embark on to help place Hujjat Primary among the very best schools in London. You can explore our school's vision, journey, priorities, and the specific initiatives we have identified to enrich the children's learning experiences and develop their skills. Together, we are building a legacy that will serve generations of students to come, Insha Allah. We would like to kindly encourage you to share and circulate this fundraising initiative amongst your family and friends to raise awareness.

Additionally, the fundraising working group will also shortly be reaching out to community members and well-wishers of Hujjat Primary to help raise awareness and support for these projects. We encourage parents to contribute in any way they can, whether through donations, spreading the word, or sharing ideas. For any feedback or ideas, please email us at [donations@hujjatschool.org](mailto:donations@hujjatschool.org)

Message from the Faith Advisor

Salaam,

We have been reflecting on how and why we can show compassion, remembering the teachings of the Prophet (PBUH) that teach us 'Every act of kindness is sadaqah' and reflecting Quranic verses such as 2:263 which help us understand how we can show compassion.

Our Amin Ambassadors extended their compassion to the wider community, by packing bags to help the homeless struggling through the winter.

May Allah (SWT) help us to live by the words of the Quran by showing compassion even in different situations where we are feeling hurt.

Have a blessed half term,

**Mrs Jessa**

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

2:263 قُولُّ مَعْرُوفٍ وَمَغْفِرَةً حَيْرٌ مَنْ صَدَقَ

وَاللَّهُ غَنِيٌّ عَنْ أَهْلِهِ يَتَبَعَّلُهَا أَهْلِهِ

A word of kindness and forgiveness are better than charity followed by hurtful words.

And Allah is Self-Sufficient, forbearing.

## 'Pupils of the Week' Achievements

Each week, we focus on one of our school values. During PSHE lessons and assemblies we discuss the importance of our school values and how we can demonstrate these by following the example of our beloved Prophet (PBUH). The value for this half term is **Compassion**. We are very proud of our pupils demonstrating this value!
