Curriculum Newsletter YEAR 3 | Summer Term |

Salaams Families of Hujjat Primary School,

We hope you had a great spring break. Please see our exciting learning outline below, as well as engaging enrichment opportunities. We are looking forward to another half-term of fun-filled lessons!

Value: Integrity

This half term we will be focusing on the value of integrity. Children will reflect and discuss why and how we can show integrity in every aspect of our lives through stories of the Prophet Muhammad (saw) and other prophets, teachings from the Holy Quran and opportunities to put their learning into practice. Some verses we may be discussing include: 3:134, 9:119, 33:70, 61:3 and many other verses related to making good moral choices.

Here is a breakdown of the skills and knowledge to be covered in each subject through this	
half-term:	
English	<u>Mathematics</u>
The Year 3 children will be focusing on persuasive	This term we will continue to build on our learning
writing skills as well as writing a recount which will	about fractions and capacity and investigate how to
involve the retelling of a past experience or an	add and subtract different units of measurements.
event in the form of a narrative recount - DASH?	We will also compare and order unit fractions with
	the same denominators. We will also be learning
D- Description	about money.
A- Action	This unit will also include:
S- Speech	 Add and subtract amounts of money to give
H- How is the character feeling	change, using both £ and p in practical contexts
? - Cliffhanger	• Measure, compare, add and subtract:
	volume/capacity (l/ml)
Recounts are structured around a setting, a	 Add and subtract fractions with the same
series of chronological events and a conclusion.	denominator within one whole [for example, 5/7
	+ 1/7 = 6/7]
Key features of a recount text include:
