As salaamu alaikum wa rahmatullahi wa barakhatahu

It seems hard to believe that we are already approaching half term, but Alhamdulillah, our staff and children have made a fantastic start to the year. As the school continues to grow, it is important that our systems remain effective and efficient. I would like to thank Mrs Saad for ensuring that lessons, playtimes, prayer times and lunchtime arrangements have all run smoothly throughout the term.

On a slightly less positive note, we continue to receive complaints from neighbours, particularly regarding parking on Brookshill. The property adjacent to Harrow College is now occupied and the owner has asked us not to park on the forecourt or block access to the home, especially during the morning drop-off period. Thank you to the vast majority of parents who make the effort to park considerately and lawfully.

Thank you also to the parents who attended the informative meeting with representatives from ABM Catering this week. I believe those who attended will share the key points discussed with other parents. ABM is currently arranging a parent tasting event at the school in November and further details will be shared shortly.
As a reminder, packed lunches will only be permitted where there is medical or other professional evidence that the kitchen cannot meet a child's sensory, physical or medical needs. Selective eating alone does not fall within this exception.

I would like to thank Ms Hassan for launching Black History Month with a brilliant assembly that celebrated the achievements of Black scientists, entrepreneurs and leaders, including Lubaina Himid, the British artist and professor. Children also had the opportunity to research and learn about the lives and contributions of inspiring Black figures.

Well done to our Hujjat Girls' Football Team for their fantastic efforts during last week's football tournament. It is wonderful to see so much sporting talent developing amongst our girls. I would also like to thank Mr Pirbhai, who is working hard to arrange many more competitive sporting opportunities for our children throughout the year.

A quick reminder to all parents that the consequences of bringing nuts into school can be devastating for some of our children. Even small amounts can trigger severe allergic reactions. Please help us to keep everyone safe by ensuring that no nuts are brought onto the school site.

Our Year 6 children enjoyed a wonderful educational visit to Lincolnsfield. They experienced a fascinating hands-on insight into life in Britain during the Second World War, including simulated air raids, a 1940s classroom, Anderson shelters and Land Army activities. The trip brought classroom learning to life and helped deepen their understanding of this important period in history. Staff reported that behaviour and attitudes were exemplary throughout the visit and the children represented Hujjat exceptionally well.

I would also like to extend a huge thank you to the parents who came into school last Sunday to support improvements to our Key Stage 1 outdoor area. Together we planted autumn and winter bedding plants, along with tulip, onion and garlic bulbs. We made excellent progress in enhancing our Early Years environment and are planning a gardening and tidying session from 3.30pm on the final day of term, Insha'Allah, to complete the work. All parents are warmly welcome to attend.

A big thank you to FOHPS for organising a very successful coffee morning earlier this week. Your continued dedication to supporting the school community is greatly appreciated and makes a real difference to the experience of our children and families.
Finally, Hujjat Walking Club is planning a walk near Ruislip Lido on the morning of **24th October**. Please keep an eye out for further details. We hope many of you will be able to join us.

Have a peaceful weekend
David Syed, Head Teacher

Message from the Faith Advisor

As-Salaamu Alaikum,

Today our students took part in 'Wear Red Day' part of our school's commitment to 'Show Racism the Red Card'. Ms Hussaini and I discussed in the assembly how our worth is not dependent on the colour of our skin and we explored how deeply rooted these ideas of equality are in our Islamic teachings, through Ayaat of Quran and the example of Prophet Muhammad (saw). We discussed practical examples of how racism appears in the way people speak and behave and how we should always choose the best and most respectful language when dealing with everyone.

Last week we also marked World Mental Health day and we reviewed the 'zones of regulation' and explored how we can turn to Allah (swt) with whatever we are feeling and use Allah's names to help us.

Next week I am excited to be launching our new Lady of Heaven project which is inspired by Lady Fatima (peace be upon her), who is known as the Lady of Light. It is also in honor of Prophet Muhammad (saw), who we know as 'The Mercy to the World'. This project is entitled 'Light of Compassion' and it will be running in school for the last week of this half term. Each class will have a special light that will pass through their class. When they have the light they will have the responsibility to do an extra act of compassion to someone. The recipient will then have the light and be able to 'pay it forward' and do an extra act of compassion to someone else. Inshallah we hope to see the light of compassion spread far and wide and brighten our school! Please see the attached poster, that will be displayed in each class, for more information about the project. This project will largely be conducted in school, but children are encouraged to 'spread the light of compassion' at home as well.

Mrs Zahra Ismail, Faith Adviser

Additional Information:

School Uniform

If you have any spare uniform items that are no longer needed, we would greatly appreciate them being donated to the school. We are currently looking for donations of school trousers, joggers and school shirts in sizes 6 years and above. Please ensure all items are clean and freshly washed before dropping them off at the School Office.

Thank you for your support.

Hujjat Girls Team

Well done to our Hujjat Girls Team, who took part in there first ever football tournament last week and made us all very proud. They demonstrated excellent teamwork, determination and sportsmanship, shining both on and off the pitch. We look forward to seeing the team compete in more tournaments throughout the year and are excited for even more members of our Hujjat Girls Team to take part in future events 🏆⚽!

'Pupils of the Week' Achievements

Each week, we focus on one of our school values. During PSHE lessons and assemblies we discuss the importance of our school values and how we can demonstrate these by following the example of our beloved Prophet (PBUH). The value for this half term is **Compassion**. We are very proud of our pupils demonstrating this value!

Light of Compassion

Class Instruction Sheet

Lady of Heaven Project 2026

Our Inspiration

This project is inspired by:

Lady Fatimah (a.s.), the "Lady of Light"

and

Prophet Muhammad ﷺ, the "Mercy to the Worlds"

Let's spread the light and help everyone experience the warmth of compassion.

Please Do Not

- Use the project to gain attention or praise
- Record names in the logbook
- Interrupt lessons to pass the light
- Keep the light if it is ready to be passed on

Let's keep the spirit pure.

Our Challenge

This classroom has been entrusted with a **Light of Compassion.**

When you carry out an act of compassion:

1. **Pass the light** to the **person** who benefited from your kindness. *(Place it on their desk, tray or peg where they will see it.)*
2. **Record** the act on the front of the class logsheet.
3. The person with the light should then spread the light further by carrying out another act of compassion for someone else.

Keep the light moving through acts of compassion.

There are also opportunities to spread the light beyond your class. Although the physical light should stay in your classroom, if you see opportunities to show compassion to other pupils or staff, record these acts of kindness on the **back of the class logsheet.**

Our Poem

Spread the light, let it shine bright,
Inspired by the Lady of Light.
Following the "Mercy to the Worlds" way,
Share compassion every day.

Remember

- Focus on the act of compassion, **not who did it or received it**
- Kindness can happen at **any time**
- Pass the light on during:
  - Breaktime
  - Any gaps between lessons
  - Lunchtime
  - Before or after school
  - Another time agreed by your teacher
- Record the act in the logbook at any convenient time

Small acts. Big change.

Examples of Compassion

- Helping someone with their learning
- Including somebody in a game
- Comforting someone who is upset
- Sharing resources
- Showing patience and forgiveness
- Helping a younger pupil
- Thanking a member of staff

Kindness creates a brighter world.

Let's spread the Light of Compassion throughout our school!
