Recruitment Pack

September 2026 (or earlier for maternity cover)

Class Teacher Vacancies

Subject Responsibility based on experience

Early Careers Teacher / Mains Scale/ Upper Pay Scale

Permanent, Full time

Dear Applicant

We hope that you will find this information pack helpful.

If you would like to learn more about our school, we would be delighted to answer any questions you may have. Our contact details are in this pack, and we can offer tours of our school site so you can meet our children and staff and see first-hand what we do. Our school website offers much more information about our staff, curriculum and how we work.

Hujjat Primary School is situated in a multicultural, vibrant and diverse community of Harrow, in North West London with easy transport links. We have been thriving since we opened in 2020 and have strong links with our Local Authority. We have a dedicated Trust Board and the school benefits from a strong and committed Senior Leadership Team. Together, we work with the common aim of making our children shine, both academically and spiritually.

We are looking to recruit staff who wish to further develop their teaching skills and professional talents in a warm, nurturing environment. We want practitioners who are confident, self-reflective and who have the energy, passion and skills to make the difference that our children deserve.

In your application, please specify the key stage in which you would prefer to work. This will help our recruitment and selection process.

If you are hardworking, reflective, resilient, have a keen sense of humour, a passion for improving children's life chances and are looking for a new challenge or somewhere to start your teaching career then we would love to hear from you.

Vision

Our **vision** is to be an outstanding, happy and inclusive school that cultivates our relationship with God by embodying the conduct and teachings of the Prophet (Peace Be Upon Him).

A place where children indulge their intellectual curiosity, develop a love for learning, and build the foundation from which they can grow to become ethical, responsible and inspirational members of society.

'Education is more than what you know, it is who you can become...'

Mission

We will facilitate the well-being and growth of every child's mind, body and character through:

- Nurturing children within a safe and caring learning environment to realise their full potential;
- Providing a broad, balanced, vibrant and inclusive core curriculum that fosters curiosity and outstanding academic achievement;
- Facilitating experiential teaching, enrichment activities that are a feast for the senses, and focused time on health, hygiene and nutrition;
- Fostering learners who are able to think, question and reflect independently;
- Developing confident, respectful and effective communicators who can express themselves and make informed choices;
- Encouraging positive relationships;
- Listening deeply and accepting every child as a gift from God.

This is accomplished through a values curriculum in accordance with the Islamic philosophy of education. Individuals are encouraged to reflect on the qualities of God and develop the virtues of good character as embodied by Prophet Muhammad (Peace be upon him), thus enabling our pupils to apply their knowledge and turn it into action for the benefit of our school and the wider community.

Ethos

Our **ethos**, through a broad and balanced core curriculum, is designed to foster intellectual curiosity and outstanding academic achievement, alongside a values-based curriculum that develops the virtues of good character, enabling our pupils to change and develop their knowledge into action, for the benefit of our school, our families, our community and wider society.

The school promotes universally accepted human values and principles which are British Values but are also the cornerstones of the Islamic faith. This ensures that everyone at our school, adults and children, of all faiths and none, can identify with the same values:

Compassion; Respect; Integrity; Service; Gratitude, Excellence.

Curriculum

Education must be for the holistic development of the individual and of society. At Hujjat Primary School, our commitment to outstanding academic achievement will therefore go hand-in-hand with the nurture of values, which underpin the development of good character.

Our curriculum will grow mind, body and character through:

- A broad, balanced, vibrant and inclusive curriculum that fosters curiosity and outstanding academic achievement;
- Experiential teaching, enrichment activities that are a feast for the senses, and focused time on health, hygiene, nutrition, personal and social skills
- A values curriculum through which we will develop the virtues of good character, enabling our pupils to apply their knowledge and turn it into action for the benefit of our school and the wider community.

Hujjat Primary School embodies high expectations, high standards, and enables children to extend their learning to engage with local, national and international initiatives which reflects the diversity in our community both within and outside the school.

The Vacancy

We are seeking to appoint class teachers (with subject responsibility) to support the Senior Leadership Team and Trust in the development of the whole school.

Please refer to the job description and person specification below for further details.

The Trust is committed to offering a variety of comprehensive learning and developmental opportunities for the successful candidate.

How to apply

Candidates of all faiths and backgrounds are welcome to apply.
