		<ul style="list-style-type: none"> Ask questions about process, technique, idea or outcome. Make suggestions about other people's work, using things personal experiences Take photos of work made so that a record can be kept Present work in retrospect, i.e. to class, assembly or parents. Talk to a peer or teacher about the artwork made and share what you have enjoyed during the process, and what you like about the end result. Discuss problems which came up and how they were solved. Think about what you might try next time. Take photographs and videos and use digital media as away to re-see work 	
Year 6	Knowledge (Know)	Skills (Do)	Concepts & Vocabulary (Understand)
	<p>Generating ideas</p> <ul style="list-style-type: none"> Know how to use their sketchbook to record their individual responses and ideas to different art forms. Know that their sketchbook is a place which raises questions which can be explored/answered outside the sketchbook, so that the link between sketchbook and journey and outcome becomes understood. Know how ideas translate and develop through different medium (i.e. a drawing in pencil or a drawing in charcoal). Know how to use digital media to identify and research artists, craftspeople, architects and designers. Know how to use camera phones (still and video) to help "see" and "collect" ideas and inspiration (digital sketchbook). 	<p>Generating ideas</p> <ul style="list-style-type: none"> Practice and develop sketchbook use, incorporating the following activities: drawing to discover, drawing to show you have seen, drawing to experiment, exploring colour, exploring paint, testing ideas, collecting, sticking, writing notes, looking back, thinking forwards and around, reflecting, making links. Look at a variety of types of source material and understand the differences. Develop questions to ask when looking at artworks and/or stimulus: Describe the artwork / What do you like/dislike? Why? / Which other senses might you bring to this artwork? How does it make you feel? / What is the artist saying to us in this artwork? / How might it inspire you to make your own artwork? Who or what else might you look at to help feed your creativity? 	<ul style="list-style-type: none"> Enjoy looking at artwork made by artists, craftspeople, architects and designers. Discuss and understand artist's intention and reflect upon your response. Understand that sometimes artist may need to refine technical and craft skills to improve mastery of materials and techniques Understand how to follow intuition and instinct during the making process, making intelligent and confident creative choices Understand that an artist will need to select and effectively use relevant
