**Where education is more than what you know,  
it's who you can become...**

## Enrichment this term...

Asalaam Alaikum,

It has been a busy yet exciting term and staff and children have enjoyed teaching and learning! It has been a pleasure to see our EYFS cohort practicing phonics and developing their early writing skills; children in Key Stage 1 have been working hard to develop their comprehension and mathematical reasoning skills. The children in Year 3 have been continuing to work exceptionally hard, showcasing their learning about the Roman Empire in humanities and formation of rocks in science.

The children in the Early Year's enjoyed learning about keeping their teeth healthy and people who help us; the Year 1's enjoyed a fantastic trip to the London Zoo and have learnt about Mary Anning-the fossil hunter ; the Year 2's have had an exciting term learning about the Great Fire of London and the Year 3's have been learning all about the Roman Empire during humanities' lessons, and reading the book: 'Charlotte's Web' during literacy lessons. These experiences have been very successful this term and have enriched children's learning!

As a school, we have reflected on our school values: gratitude and service this term by sharing many relevant Quranic verses, reading different stories and carrying out 'circle time' activities during PSHE lessons. Next term's values are integrity and excellence. Kindly spend some time discussing these values with your children during the school break.

The rest of our newsletter will give parents more information about our children's learning, their progress and willingness to work hard and always try their best!

All the staff and myself would like to thank parents for their positivity, messages of gratitude and generous gifts during the blessed month of Ramadan.

Wishing you all a lovely Spring break.

Mrs Saad

# Our faith and values

Asalaam Alaikum,

Alhamdulillah, we thank and praise Allah (SWT), for the blessed opportunities and learning we have been given in the Spring term.

We have seen an ongoing enthusiasm for our school values, with children and adults across the school showing compassion, respect, service, gratitude, integrity and excellence. This term we focused on the values of 'service' and 'gratitude' through verses from the Holy Quran and stories of Prophet Muhammad (SAW) and Lady Fatemah. We are so proud of our school, with various visitors over this term commenting on the exemplary behavior and values shown by children and adults at Hujjat Primary.

To help encourage reflection and display of our value each half term our Amin Ambassadors have been innovatively creating ideas for interactive values displays around the school.

This half term, we continued to see children trying hard to show the school values, and in turn receiving the pleasure of Allah (SWT) Insha'Allah as well as their Values Award Badges, which they wear proudly on their uniform. The team and community spirit have continued this term with children encouraging each other and working together on their values to collect tokens for their team, excited to be the winning team to choose the community 'Ladies of Heaven' project for the Summer Term.

At the start of the term, we embarked on our very first 'Lady of Heaven' project— 'The Lady Fatemah Project', celebrating the qualities of Lady Fatemah, through stories and teachings from her inspirational life. The children saw the devotion of Lady Fatemah and her generosity and service to everyone and it was amazing to see them following her example, demonstrating these values and talking about Lady Fatemah with each other this term. The children enjoyed making their tasbeeh and teaching others how to use them and it was truly heartwarming to hear about them gifting this precious hand made tasbeeh to a special someone. May Allah (SWT) continue to bless our children with the devotion to Allah (SWT), selflessness and generosity they have learnt from the Lady Fatemah.

In R.E. the children have been exploring a wide range of topics. EYFS have been looking at charity and water in various faiths. Year 1 have been thinking about the key question 'Is it important to have a day that is different to others?' linking with special days in religions such as Jumu'ah in Islam and Shabbat in Judaism and have also reflected on religious sounds such as the Adhan and Quran in Islam and bells, prayers and chants in Buddhism. Year 2 have been learning about rules in various religions and religious symbols and reflecting on their importance and Year 3 have been reflecting on 'happiness' in Islam and other religions as well as the importance of prayer.

Alhamdulillah, praise to Allah (SWT), it is so enlightening to hear the children talk about religion with such respect and understanding.

We are blessed to be able to continue to provide after school Quran Club. MashaAllah, the children are quickly learning with a smile and are able to continue making progress each term using the textbook the school have invested into. It is a blessing to see the excitement of the children to read Quran together and share their knowledge and skills with adults and children.

In the lead up to the blessed month of Ramadhan, we were blessed to have Brother Imranali Khaki in to deliver amazing Quran workshops to all our children and parents. The children were so engaged and enthused by the stories and activities and it was so lovely to hear them tell each other the stories of the Arabic alphabet and proudly sharing the surahs they had learnt in the weeks that followed. Our parents, teachers and children were truly inspired and enthused to engage with the Quran from the brilliant workshops. A huge thank you, JazakAllah—may Allah (SWT) reward you in abundance, Brother Imranali.

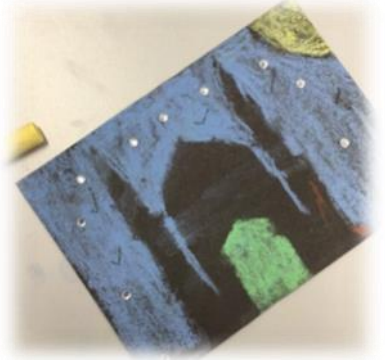

May Allah (SWT) continue to bless us with the opportunities to learn and grow together with the values of gratitude, respect, compassion, excellence, integrity and service so our learning is more than what we know, it is who we become.

Praying you all have a blessed break and continue to benefit from this blessed month of Holy Ramadhan.

Mrs Jessa.

# Shahr Ramadhan at Hujjat Primary

Alhamdulillah, all praise is to Allah (SWT), the school has been filled with the buzz and spirit of this Holy Month of Ramadhan. Children have loved reciting Surah Al-Qadr with actions to help us understand the meaning, learning nasheeds about Holy Ramadhan, participating in a range of Holy Ramadhan activities and sharing their Shahr-Ramadhan experiences.

A huge thank you to FoHPS and all the parent volunteers who organized and delivered an amazing Shahr-Ramadhan Workshop. The creative activities were inspiring and it was wonderful to see the children engaging with such enthusiasm and talking about the blessed month of Shahr-Ramadhan. We are so excited to see the final collaborative piece! JazakAllah FoHPS, may Allah (SWT) reward you for all your efforts.

# Children's Mental Health Week

This year's children's mental health week took place from the 5th to the 11th of February 2024, with the theme of 'My voice Matters', focusing on empowering children and young people to find their voice and communicate their thoughts, feelings and opinions.

Our children engaged in a range of activities around this theme to help them develop communication skills and realise the importance of their opinion and how to express their opinions effectively. Linking with our values, children showed compassion and respect to one another and expressed their gratitude enabling each child to feel valued by their teachers and peers.

We talked about different emotions we may feel and the trusted adults we can talk to about these feelings and reflected on the verse 60, of the 40th Chapter of the Holy Quran which tells us, "...Call on me and I will respond to you..." reminding us that we can always talk to Allah (SWT) about anything.

Discussions on how to support our mental health, helped us think of all sorts of activities we could engage with to look after our own mental health and well being. Reflecting on the verses of the Quran, we realised that remembering Allah (SWT) can help us too as the Quran teaches us "Truly it is in the remembrance of Allah, that hearts find peace." The names of our classes, each named after a name of Allah (SWT), helped us to remember Allah (SWT) throughout the day for His different qualities.

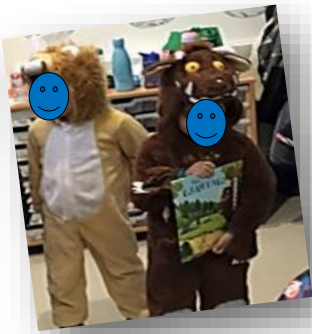

إِنَّكَ إِذْ تَتَذَكَّرُ فِي حَافَتِكَ تَتَذَكَّرُ فِي حَافَتِكَ

VERILY, IN THE REMEMBRANCE OF ALLAH  
DO HEARTS FIND REST  
(13:28)

# Exciting learning in Early Years

WORLD  
BOOK  
DAY

Children in Reception have been working hard to achieve their Early Learning Goals by carrying out exciting thematic activities during skills time! During World Book Week the children in EYFS read the book: *The Koala Who Could* and carried out lots of fun-filled and engaging activities focusing on this text.

The children are developing their phonetical awareness and have been continuing to work hard and focus during their daily phonics lessons and catch up phonics lessons. Parents are requested to practise reading with children weekly.

This Term EYFS have continued to use the children's love of books and stories to develop their early writing, literacy and maths skills through **drawing club**.

This term, children read the books: *What's in the Witch's Kitchen?*, *Bubbles* and *The Koala Who Could*.

We hope you have a wonderful Spring break!

With best wishes,

Miss Aissaoui (EYFS Leader), Mrs Sultana, Mrs Gulamali  
Mrs Navazi, Mrs El Hafedi, Mrs Al Shahib

# Year 1 and Year 2 learn and have fun...

What an exciting and busy term it has been! The children's learning this term has been enriched with trips, workshops and events!

## Year 1: A trip to the Zoo!

Year 1 visited London Zoo to learn about different animals and their habitats.

The children loved seeing lots of animals!

## World Book Day!

Farhana Islam, author of 'Not Now, Noor!' visited the children of Hujjat Primary. Year 1 and 2 had great fun and we hope this workshop inspired our young writers to become authors one day.

Well done to all children who had amazing costumes on World Book Day, showcasing characters from stories around the world.

## Year 2: The Great Fire of London Workshop

Year 2 dressed up as Tudors from 1666 to take part in an immersive learning experience, run by History off the page. The children got a glimpse of life as it would have been in 1666 London before, during and after the Great Fire. The children learned about the issues of the time, and had the opportunity to participate in a range of cross-curricular activities and crafts.

We hope you have a blessed Spring break and Eid Mubarak to you all.

With best wishes,

Mrs Laamri (KS1 Phase Leader), Miss Shah, Mrs Aksouh, Mrs Haque  
Mrs Rahemtulla, Mrs Naveed, Mrs Karim, Mrs Souillah, Mrs Lalji, Mrs Gulamali

~ Key Stage 1 Team

# Learning lots in Year 3

It has been another fantastic term in Key Stage 2 and children have been learning lots in the different areas of the curriculum!

## Learning in science and PSHE

The Year 3 children enjoyed a 'nutrition workshop' led by our Year 3 parent.

Children learnt about the digestive system, benefits of eating healthy and how the different food categories affect our bodies.

## Happiness cards

In Year 3 children have been studying about and reflecting on the think question: 'what can we learn from Prophet Mohammed (s) about happiness'. To consolidate learning, children made happiness cards for their loved ones!

## Using scientific enquiry skills

During science lessons on the formation of rocks, children have been working hard with their peers to investigate the permeability of different types of rocks. By testing, they have found out that: chalk and sandstone are the most permeable and slate is the least.

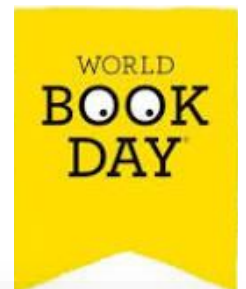

## Movie Morning

The children have been reading the book: Charlotte's Web during their literacy lessons. To celebrate their learning, they enjoyed watching the movie with their peers!

## World Book Day

What an exciting week it was: the children in Year 3 read the book Malala's Magic Pencil and carried out many activities based on the theme and story including dressing up in character!

We hope you have a relaxing and happy Spring break!

With best wishes,

Mrs Sookun, Mrs Somji, Mrs Saad

Mrs Haider, Mrs Abdul Karim
