Message from the Acting Headteacher

Asalaam Alaikum Parents and Carers,

It has been a wonderful week and children have enjoyed learning whilst making the most of the beautiful weather we have been blessed with.

I have particularly enjoyed spending time with the children across the school this week: Reception have been looking after chicks as part of their learning on lifecycles; Year 1 participated in a 'smoothie making' workshop to help them understand more about healthy eating during food technology lessons, Year 2 had a fantastic trip to LegoLand to consolidate their learning in geography and Year 3 have been busy learning more about Roman numerals.

Thank you to all the parents who attended the Headteacher's Forum earlier this week; the positive feedback through parent voice always helps to work collaboratively and grow the school's strengths.

As the weather continues to become warmer, parents are requested to ensure children come to school with their water bottles and hats; wearing sun cream and their summer school uniforms, so they are comfortable through out the day.

Wishing you a blessed weekend,

Mrs Saad

Message from the Faith Leader

Asalaam Alaikum families of Hujjat Primary,

It was so wonderful to see the values of Hujjat Primary come to life through our Lady Khadijah Project. Alhamdulillah, there were so many donations. May Allah (SWT) reward you all for your generosity.

This week we reflected on verse 49:13 and how we can get to know one another. There are so many different ways to communicate so that we can include and get to know everyone. As part of deaf awareness week we learnt how to sign Surah Ikhlas.

Alhamdulillah (all praise to Allah), we are so blessed to be able to provide a holistic variety of opportunities to support our children in all aspects of their growth including their spiritual growth. A huge thank you to our scholars who came in to deliver our bespoke Year 3 workshop to guide the children and their families in how to build their relationship with Allah (SWT) as a part of their journey in spiritual growth.

Wishing you a blessed weekend,

Mrs Jessa

'Pupils of the Week' Achievements

Each week, we focus on one of our school values. During PSHE lessons and assemblies we discuss the importance of our school values and how we can demonstrate these by following the example of our beloved Prophet (PBUH). The value for this half term is **integrity**. We are very proud of our pupils demonstrating this value!

Additional Information:

Parking on-site and around the school

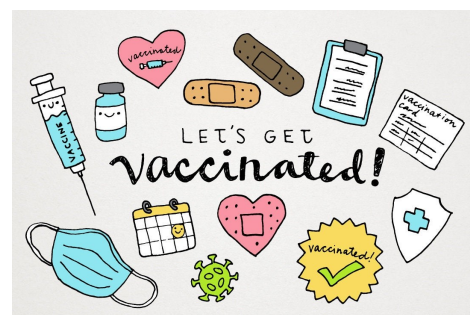

A reminder for all parents/carers, Please do not pull your car up to the parking barrier, if you have not been granted permission to park on-site. We have had many near miss incidents where Parents / Carers are trying to reverse back onto oncoming traffic and causing hazard to pedestrians and vehicles. This is to ensure safety for other vehicles and for our children when walking to and from the school premises.

Additionally, please ensure you park with more consideration anywhere in the school vicinity, particularly Brookshill, Fontwell and Uxbridge Road during drop off and collection times; this in turn ensures more safety for our children.

MMR Vaccination

In the last few weeks there's been an increase in the number of measles cases in Harrow/ Brent. Measles spreads easily. Your child can be protected from this serious infection by receiving two doses of the MMR vaccine.

Please can you check your child's RED book or vaccination record for the **MMR** status for two dates. If dates not found please complete the e-consent form on the following link: <https://clchschoollimmunisations.co.uk/Forms/MMR>

The school code is: **CL143925**
