## Message from the Acting Headteacher

*Asalaam Alaikum  
Peace be upon you.*

As requested by our parents in the last Curriculum workshop, the Key Stage 1 team have put together a Curriculum Newsletter, which is a summary of the children's learning. We hope we can collaboratively support children's learning through this information.

Parent Forum was postponed this week and has now been rescheduled for next week on **Thursday 19<sup>th</sup> January at 19:00hrs**. This session will be on-site only, and I will share an outline on the day detailing important actions and an opportunity for us to have a discussion and share our viewpoints.

I hope you have a lovely weekend and insha'Allah I look forward to seeing and talking with many of you next week.

With best wishes,

*Mrs Saad*

Acting Headteacher

It has been an exceptionally busy week, as our school had its first Section 5 (two-day) Ofsted Inspection. The children showcased our SHINE values beautifully, spoke enthusiastically about their learning, and are a credit to you and the school. The Trust and staff would like to thank our parents and carers for completing the surveys promptly and ensuring the children were at school on time.

The draft Ofsted report will now be prepared by the lead Inspector (HMI), and will go through a quality assurance process detailed below:

|   |                       |
|---|-----------------------|
| Draft Report shared by Ofsted                           | 18 days               |
| School is given time to feedback                        | 5 working days        |
| Final is prepared by Ofsted and shared with the school  | 30 working days       |
| School shares the Ofsted report with parents and carers | Within 5 working days |

We will let you know as soon as soon as we receive the final report. Thank you for your understanding and patience.

## Pupils of the Week

### Al-Haqq (RH)

#### Ahmad Merali

Ahmad has shown our value of Excellence by always working hard and trying to do his best.

Ahmad has really impressed Ms Haque and Ms Navaz, particularly in Phonics, as he is blending trickier words and is writing beautifully. Ahmad is also putting his hand up on the carpet more and is showing us a positive can-do attitude!

Keep up the hard work Ahmad, you are doing really well.

### Al-Kareem (1A)

#### Inaya Fatima

Inaya is a wonderful pupil. She always shows compassion to her peers and is always thinking of others.

Inaya's confidence is growing and she is making an effort to participate during carpet discussion time, and trying her best to improve her communication skills.

Well done Inaya, keep it up!

### Al-Khaaliq (2S)

#### Hadi Sharestani

Hadi works very hard in all his subjects. He is diligent and thoughtful and embodies the value of Excellence well. He always puts in his best effort, participates in class and is always happy to listen to feedback to do even better.

Hadi has a great sense of humour and works very well with others.

Keep up the good work Hadi!

### An-Noor (RW)

#### Ana Ebrahimi

Ana has worked so hard in Phonics and has made such great progress!

It's lovely to see how confident she's becoming at school. She welcomes us every morning with a great big smile and is a great friend and role model to her class.

Well done Ana, keep it up.

### Al-Hakeem (1AZ)

#### Maryam Kanani

Maryam has been practicing and improving in all areas of her learning. She has been producing inspiring, creative and excellent work, with time left over to complete challenges!

Miss Laffey loves reading her stories and trying to work out the answers to her maths questions. It has been lovely to see her growing in confidence, recognising her star qualities and consistently contributing in class.

Keep up the phenomenal work, we are very proud of you.

### Al-Wahhaab (2AS)

#### Ameela Marhoon

Ameela has been an absolute superstar this week. With lots of changes to her routine, she has still been able to come to school happy, focussed and has worked incredibly hard. She has shown such patience and compassion towards those around her.

You are amazing, well done!

## Habib the Hujjat Primary Attendance Bear

This week's winning class with the highest attendance and responsibility for caring for Habib the Hujjat Primary Attendance Bear is...

### Al-Khaaliq (2S) (again!)

## Packed Lunches

We have seen an increase in the number of children bringing a packed lunch to school. As a school, we do not encourage packed lunches. Instead, we encourage a family dining experience with a hot meal at lunchtime. There are a few children who bring a packed lunch to school for very specific reasons, all of which have been authorised by the school in advance. We therefore request that your child does not bring a packed lunch unless there is a specific reason that has been pre-authorised by us.

**If your child is one of the children for whom a packed lunch has been authorised, please note that we do not permit sweets, crisps or any item containing nuts to be included.**

Thank you for your co-operation.
