Message from the Acting Headteacher

Asalaam Alaikum Parents and Carers,

It has been a wonderful week of learning and it has been delightful to see and hear children reading across the school, building their phonetical awareness and reading fluency!

You should have received an email from the School Office about booking face-to-face Parent Teacher Meetings on Wednesday 22nd November, Thursday 23rd November and Wednesday 29th November from 3.45-5.45pm. We kindly request parents to book before Tuesday 21st November and to ensure when attending you park responsibly in the Staff Car Park or MUGA. We are all very much looking forward to sharing our children's learning and their achievements this term.

We have had excellent educational trips and visits in the last few weeks, and extend our thank you to our parent volunteers.

In addition, we have had very engaging assemblies focusing on our value of respect this half term. We observed a minute silence across the school for 'remembrance and peace around the world' and encourage parents to spend some time talking with the children about their assemblies and subsequent PSHE lessons.

Thank you to many parents who attended the "Coffee with the HT" forum earlier this week. Your feedback and working collaboratively is very important to us. I look forward to meeting parents in the next couple of weeks again for Parent Teacher Meetings!

Wishing you a blessed weekend,

Mrs Saad

Message from the Faith Leader

Asalaam Alaikum families of Hujjat Primary,

This week we have been reflecting on the verse 25:63 of the Holy Quran, linking it to discussions on peace and respect around the world. The children have participated in and written prayers of peace both in assembly and their class and it has been wonderful to hear the children respectfully discussing what peace is and how we can spread peace within our school and on a wider scale.

We read and reflected on the story of Prophet Muhammad (PBUH) and twenty-one dates and discussed what we could do to follow in the footsteps of our role model, Prophet Muhammad (PBUH).

May Allah (SWT) help all those around the world who are suffering to find peace and patience in difficult times. May Allah (SWT) help us to strive to always show compassion, spread peace and show integrity by standing against injustice so that we can make this world a better place. Ameen.

Have a blessed weekend,

Mrs Jessa

'Pupils of the Week' Achievements

Each week of this half term, we focus on one of our school values. During PSHE lessons and assemblies we discuss the importance of our school values and how we can demonstrate these by following the example of our beloved Prophet (PBUH). The value for this half term is **respect**. We are very proud of our pupils demonstrating this value!

Parents and carers are reminded that if your child brings in a packed lunch: this is authorised by the class teacher and School Office beforehand.

Please note: we are a nut-free school and children are not allowed to bring in any food items which contain any nuts.

Healthy Snacks Please...

Please provide children with a healthy snack of fruit and vegetables only for breaktimes, before clubs and after school.

We have seen many children bringing in chocolates and crisps and request parents and carers make healthier choices for the children!

School Winter Warmer Lunch

On **Wednesday 20th December** all the school children will enjoy a Winter Warmer lunch with staff.

Children can wear something of their choice and donate £2 for a charity which the children along with the school council team will choose democratically.

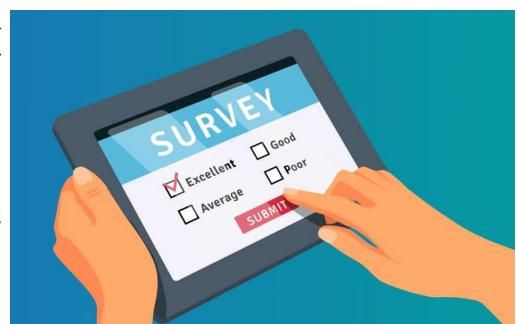

Parent Survey

Parents and Carers are requested to complete a short survey after attending Parent Teacher Meeting and receiving up to date information about their child's progress.

As a growing school, the information you provide us will be valuable towards understanding things we are doing well and things we can improve further.

Thank You

We are so grateful for the book donations we have received so far. The children have loved seeing new books in which they can relate to the content and characters, starting to enter the library. May you be eternally rewarded for your generous donations.

Arabic/Bilingual books

Having introduced Arabic into our curriculum this year, we are so proud to see the children gaining vocabulary and improving in their speaking, listening, reading and writing of Arabic. To help them in their Arabic learning, parents and teachers have requested more bilingual/Arabic books in the library. This will help children develop their reading, understanding pronunciation and familiarity with the Arabic language. We have therefore added some of these Arabic/bilingual books to our donate a book drive. Please use the link below to browse our wish list and donate. Thank you for your continuing generosity and investment into our children's future.
