Message from the Acting Headteacher

Asalaam Alaikum
Peace be upon you.
I hope you have had a happy week!

It has been a busy week and children have enjoyed celebrating World Book Day. As a school we all read the book, 'The Lion Inside' and children participated in lots of learning based on this story. Thank you to all the staff and parents for making this event memorable for our children.

All the children in Year 2 excitedly experienced The Great Fire of London through an interactive workshop at our school. Children learned about the event and it's chronology through role play, observations and many arts and crafts activities. Contributions for this event can still be made via Arbor (Trips – Great Fire of London Contributions) and this would be very much appreciated to cover the cost of the day.

In this week's assembly, we continued to focus on our feelings, and positive ways in which we can manage our emotions. We read the story: The Rabbit Listened by Corri Doerrfeld and discussed how we can be better friends through better listening. We ended our assembly by giving our thanks and appreciation to Allah and prayed He continues to guide us to make better decisions, especially when we feel angry or upset.

There was a Key Stage 1 Curriculum Workshop for Parents and Carers this week and as many parents were unable to attend, I will host another session in the summer term at 2.15pm so that you are able to collect your children after the session.

In addition to this, we now have a school Just Giving link on our school website, which outlines opportunities to enhance our children's experiences at school. Your support which will be much appreciated! <https://hujjatprimary.org/donate>

Lastly, my apologies but we have to again change the **Online Parent Teacher Meetings days to Monday 13th and Tuesday 14th March**, as our previous proposed date changes may now clash with another set of proposed Teacher Strikes. The School Office will be in touch regarding how to book for the online parent teacher meetings, using School Cloud, which some of our parents will already be familiar with.

Please also find attached another letter outlining the additional Teacher Strike days.

With best wishes,
Mrs Saad
Acting Headteacher

Pupils of the Week

Al-Haqq (RH)

Alihaider Brooker

Alihaider has shown increased concentration in class and is working hard to participate within our lessons.

He has impressed me with his writing this week as he is forming his letters better and is carefully sounding out when he writes words.

Keep it up Alihaider.

An-Noor (RW)

Ali Parpia

Ali has grown in confidence so much over this and last term. He is now joining in with class discussions and raising his hand to share his ideas. We love hearing what he has to say!

Ali has become much more independent in identifying his needs, which he worked hard on last term. He is also always eager to help his teachers and has such beautiful manners.

He's a kind friend, always showing our value of Compassion.

Well done Ali.

Al-Kareem (1A)

Ali Kanji

Ali has demonstrated our value of Excellence this week.

He is reading with increasing fluency and expression. He shows a lot of enthusiasm and interest during our guided reading lessons and we are so proud of where his reading skills have progressed to. Ali's vocabulary has expanded and he always remembers our Wow words!

Well done Ali!

Al-Hakeem (1AZ)

Zahra Mohamedali

Zahra has impressed us recently with her attitude towards learning. She is really trying to be efficient and use her critical thinking and reading skills to quickly comprehend any task, as well as contributing continually on the carpet.

It has been really lovely to watch her self-confidence grow in her ability and ask questions to consolidate and extend her learning. On top of all of this, Zahra always acts with honesty and warmth to her peers and teachers.

Keep up the phenomenal work, it is only up from here Masha'Allah!

Al-Khaaliq (2S)

Sajjad Ali Jaffer

Sajjad Ali embodies excellence in all his academic work. He puts in a lot of effort to complete his work to the best of his ability and is eager to take on a challenge. We love to hear the facts he has learnt himself from home too.

He is kind and compassionate and enjoys helping other students with their work. I am really pleased with his efforts, and I can already see the bright future ahead of him Inshallah!

Well done Sajjad Ali, keep it up!

Sakina always works really hard across all subjects. She shows such enthusiasm for learning and participates in all lessons, sharing her ideas, asking questions and applying skills she has learnt.

Sakina is a fantastic role model to all the other children in Al-Wahhaab class.
