### Message from the Acting Headteacher

*Asalaam Alaikum*  
*Peace be upon you.*

It has been a bright and sunny week as children have returned after the half term break. It has been wonderful to see children showcasing our school values, respect, compassion, service, gratitude, integrity, and excellence during the week.

During learning walks this week, it was fantastic to see the children in Reception continuing to enjoy their learning on lifecycles and focusing on the lifecycle of butterflies this week. In addition to this, Year 1 have been diligently developing their reading skills, and this has made them more fluent in their reading. Year 2 has been continuing with consolidation activities and this week have started their new chapter book: Charlie and the Chocolate Factory to read together as a whole class.

As this is the last half term of this academic year, please may I remind parents and carers to persevere with good punctuality and attendance, as this will really boost the children's confidence and support their learning in class.

Lastly, as the weather becomes warmer, parents are advised that their children wear the appropriate summer uniform so that they are comfortable; please also remind children to bring their refillable water bottles and sun hats to school. Should your child need to wear sun cream, please apply this from home in the mornings.

Wishing you a lovely weekend,

*Mrs Saad*

Acting Headteacher

### Message from the Faith Advisor

*Asalaam Alaikum parents and carers,*

This week, in our assembly, we reflected on verse 39 from Surah An-Najm, Chapter 53, which says:

وَأَنْ لَّيْسَ لِلْإِنْسَانِ إِلَّا مَا سَعَى

"Nothing belongs to man except what he strives for."

The verse teaches us that man will reap the fruits of his efforts so we should strive and make an effort towards what we want to achieve. In our assembly, the children and adults reflected on this verse and saw how the Prophet Muhammad lived by this teaching of the Quran, through a story of the Prophet. The story taught us that excellence is always trying our best and working hard ourselves before asking others to do things for us.

May Allah, guide us all to continue to build our excellence as a family, by applying the teachings of this inspiring verse from the Holy Quran.

Hope you have a blessed weekend,

*Mrs Jessa*

Faith Advisor

# Pupils of the Week

## **Al-Haqq (RH)** **Yusuf H**

Yusuf has been demonstrating tremendous effort towards his learning. Yusuf has been challenging himself in all his subjects by reasoning and extending his answers. Yusuf has shown so much progression this year; he is now independently writing stories and solving challenging number sentences.

Yusuf you are ready for year one! Keep working hard.

## **An-Noor (RW)** **Ali A**

Ali has been coming happily into school every morning and has settled into the class really well this term. He is more familiar with the daily routine in the classroom and his listening skills have improved. He has been trying to participate in different activities around the classroom and loves to share his ideas during carpet time. Recently we have noticed he has been exploring his friendships in the classroom and is playing with other children. He has been trying his best.

Well done Ali - keep up the hard work!

## **Al-Kareem (1A)** **Adam S**

Adam is a polite member of the class. Adam has amazing manners and is kind and thoughtful towards his peers. This week, Adam has been displaying our value of excellence by showing amazing listening and putting all of his efforts into his work. Adam has also been putting extra effort into PE classes and even got the PE superstar.

Well done Adam! Keep it up!

## **Al-Hakeem (1AZ)** **Haydar A**

We are very proud of Hayder for showing lovely qualities of being a good friend, joining in on group work and being a great role model to the class when sharing his love of reading. Hayder has shown great resilience while working on his mindfulness, handwriting and communication. You make us all smile and laugh every day; you are always teaching us new things and the class would not be the same without you!

## **Al-Khaaliq (2S)** **Younis A**

Younis has made great progress this year. It has been wonderful to see his writing develop and to read his creative and interesting ideas. He always strives to do his best, especially in Mathematics and spelling, where he enjoys a bit of healthy competition and being challenged.

Keep up the good work Younis!

## **Al-Wahhaab (2AS)** **Sarah R**

Sarah has been working hard in recent weeks. She has been more focused at her table and has been working to complete all her tasks more independently. Sarah has been showing great listening during carpet times, which has helped with her learning.

We really hope you can keep this up Sarah, well done!

## Habib the Hujjat Primary Attendance Bear

### Al-Wahhaab

A good try for being the class with the highest attendance this week at 94%

**Our target attendance is 96% and above.**

## Reminder - Class Assemblies

In the summer term, each class will take part in a class assembly. The children will perform their assembly in front of an audience of parents, siblings, and the other year group classes. This is always such a proud moment for parents, and we cannot wait to share these with you in the summer term.

Each class assembly will commence at 9:30 am. Children (and siblings) can arrive a little later to school on the day of their assembly, at 9:05 am. Parking for parents will be available in the MUGA (multi-use games area), but the barriers will not open until 09:05 for safety reasons. Once parked, parents should drop their child/children to their respective classroom doors before making their way to the main entrance to take their seats in the hall, ready for the assembly. Please note that children arriving late on the day of their assembly may not be able to participate, so please ensure you arrive promptly.

Please note: should you wish to park off-site, you may send your child/ children as per the usual school timings.

Filming notification: please trust us when we say you will enjoy the assembly far more when you are not watching through a mobile device, but we do understand that you may wish to film or photograph some of it, but please, no flash photography. Any filming or photography must be for personal use only and should not be posted on any social media channels. We ask that you remain seated throughout, however, if you wish to stand, please stand at the back and please be respectful to others around you, here will also be a brief opportunity for you to take a class photograph at the end of the assembly.

The dates for all class assemblies are listed below:
