YEAR 3 | Summer Term 1

HUJJAT PRIMARY SCHOOL

Salaams Families of Hujjat Primary School,

We hope you had a great spring break. Please see our exciting learning outline below, as well as engaging enrichment opportunities. We are looking forward to another half-term of fun-filled lessons!

Value: Integrity

This half term we will be focusing on the value of integrity. Children will reflect and discuss why and how we can show integrity in every aspect of our lives through stories of the Prophet Muhammad (saw) and other prophets, teachings from the Holy Quran and opportunities to put their learning into practice. Some verses we may be discussing include: 3:134, 9:119, 33:70, 61:3 and many other verses related to making good moral choices.

Here is a breakdown of the skills and knowledge to be covered in each subject through this half-term:

English

The Year 3 children will be writing a recount which will involve the retelling of a past experience or an event in the form of a narrative recount - DASH?

D- Description

A- Action

S- Speech

H- How the character is feeling

? - Cliffhanger

Recounts are structured around a setting, a series of chronological events and a conclusion.

Key features of a recount text include:

Past tense and chronological order

Focus on specific people

First or third person

Conjunctions and action verbs

We will also be focusing on persuasive letter

Mathematics

This term we will be learning about Time.

This unit will also include:

- To tell and write the time from an analogue clock, including using Roman numerals to I to XII, and 12 hour and 24-hour clocks.
- To estimate and read time to the nearest minute and compare time using vocabulary such as o'clock, a.m./p.m., morning, afternoon, noon and midnight.
- To know the numbers of seconds in a minute and the number of days in each month, year and leap year.

We will continue to build on our learning about fractions and capacity and investigate how to add and subtract different units of measurements. We will also compare and order unit fractions with the same denominators.

Learning will be explored through a combination of different methods including:

<p>writing. <i>Persuasive writing is a form of non-fiction writing that is written to persuade a reader of a belief, opinion or idea.</i></p> <p>Key Text: A Hundred Mile Dog by Jeremy Hunt</p>	<p>Concrete method: using cubes and other resources displaying the metric system. Using clocks to show the hour and minute.</p> <p>Pictorial: drawings to demonstrate the hour and minute hand on the clock.</p> <p>Abstract: number sentences including the 4 operations and worded problems related to everyday life.</p>
<p style="text-align: center;"><u>Science</u></p> <p>We will be exploring light, reflections and shadows. We will work scientifically, using key enquiry skills to investigate how lights moves and how shadows are formed. We will learn about different sources of light and the importance of light</p>	<p style="text-align: center;"><u>Humanities- Geography</u></p> <p>We will be exploring the physical aspects of Italy whilst building on our location knowledge of Europe. We will be learning how Italy's location has played an important role in its history. The sea surrounds Italy, and mountains crisscross the interior, dividing it into regions.</p>
<p style="text-align: center;"><u>Art and Design & Design Tech.</u></p> <p>We will be creating Pneumatic Toys where we will be learning about mechanical systems (pneumatics).</p>	<p style="text-align: center;"><u>Physical Education and Sports</u></p> <p>During PE and Sports sessions, children will have the opportunity to practice their running, jumping and throwing skills. In addition, we will build on our movement and balance coordination skills.</p>
<p style="text-align: center;"><u>Computing</u></p> <p>During this half-term, the children will develop their filming and editing video skills through storyboarding and creation of book trailers.</p>	<p style="text-align: center;"><u>Religious Education</u></p> <p>This term's big question is: What are some religious rites of passage?</p> <p>We will learn about the Islamic rite of passage at birth and adulthood. We will also make comparisons with other religions such as Judaism.</p>
<p style="text-align: center;"><u>Music</u></p> <p>This half term, the children will learn the nasheed, 'Beloved' by Aashiq al Rusul, through which they will develop their listening and reflecting, composition and performance skills. The children will learn about timbre and texture in music and use this to take part in performance, listening and composition activities, thinking carefully about how they can alter the mood using these concepts. Reflecting on the lyrics of the nasheed, children will draw links with our school values, stories from the life of the Prophet Muhammad (SAW) and the verse 33:56 from the Holy Quran.</p>	<p style="text-align: center;"><u>Arabic</u></p> <p>The children will develop their reading, writing, speaking and listening skills in Arabic with a focus on the topics of pets, farm and zoo animals, wildlife, colors and sizes. Opportunities to develop and apply grammar knowledge will enable them to use their new vocabulary to read, understand, speak and write sentences in these topic areas.</p>
<p style="text-align: center;"><u>PSHE</u></p> <p>The topic for PSHE is Living in the wider world. Children will be exploring the topic Money Matters.</p> <p>Value of this half-term: Integrity Our assemblies and PSHE lessons will focus on the value: Integrity</p>	<p style="text-align: center;"><u>Additional Information</u></p> <p>Spelling and Arithmetic tests will be every Friday. Library days will be every Monday.</p> <p>Please continue to read with your child for 20 minutes each day.</p>

Enrichment Opportunities

To help consolidate learning in History, Year 3 will be visiting Headstone Manor and Museum where they will be taking part in a 'piecing together' activity based on their knowledge on the Roman Civilisation.
