

Pupil Premium Strategy Statement 2025-26

Hujjat Primary School

This statement details our school's use of pupil premium funding to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the effect that last year's spending of pupil premium had within our school.

Part A: Pupil premium strategy plan

Statement of intent

The Pupil Premium is additional funding to help schools close the attainment gap between children from low-income and other 'disadvantaged families' and their peers. If a child has been eligible for free school meals (FSM) at any point over the past 6 years (Ever6) or has been continuously looked after for at least 6 months (LAC) they are considered 'disadvantaged' and the school receives an amount per head within their budget. A smaller provision is also made for children who have a parent in the armed services.

The aim of the funding is to target the attainment gap between pupils from deprived backgrounds and their more affluent peers. This gap persists through all stages of education, including entry into higher education.

Research shows that:

- The highest early achievers from deprived backgrounds are overtaken by lower achieving children from advantaged backgrounds by age seven.
- The gap widens further during secondary education and persists into higher education.
- The likelihood of a pupil eligible for Free School Meals achieving five or more GCSEs at A*-C (4-9) including English and mathematics is less than one third of a non-Free School Meals pupil.
- A pupil from a non-deprived background is more than twice as likely to go on to study at university as their deprived peer.

This funding is spent strategically by the school to meet its aim of ensuring maximum progress and access to provision for all groups of children and to close any gaps.

Hujjat Primary School has adopted a policy explaining our approach to spending and managing pupil premium funds. Parents were consulted in the process of developing this policy and it is available on our school website. We have a clear, strategic approach to the use of specific Pupil Premium funding and plans are integrated into wider school support and improvement systems. These are monitored and evaluated regularly and in-depth data analysis ensures that the correct support and strategies are identified to maximize progress.

- To promote high levels of wellbeing and involvement for disadvantaged children

throughout their school life at Hujjat Primary.

- To ensure our most vulnerable children and their families have access to therapeutic services to secure their basic needs of safety, love/belonging and esteem are met where needed.
- to ensure that our disadvantaged children have good levels of attendance (95%+)
- To ensure that all children who require catchup from lost learning during national lockdown achieve their individualised and personalised targets in Reading, writing and Maths.
- To ensure staff are using whole class evidence-based teaching strategies to ensure they are supported in providing good or better provision consistently.
- To provide additional 1:1 and small group support with a focus on diminishing literacy and numeracy gaps for identified pupils.
- To widen their life experiences; encouraging memorable and applied learning experiences and broadening language experience therefore giving motivation to communicate.

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Parents struggling to bring children to school on time daily (punctuality)
2	Children (including parents) who are both disadvantaged and on the school's SEN register
3	Families and pupils who are EAL
4	Mathematics, Writing and Reading fluency for pupils in EYFS, KS1 and KS2 who are unable to meet National Expectations
5	Pupils who have additional SEMH-MHW needs
6	Pupils who have lack of enrichment opportunities outside school
7	Families struggling due to cost of living increases
8	Parenting support for struggling families

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
1.Improving punctuality Supporting parents with bringing in children to school on time	Disadvantaged pupils have access to subsidised breakfast club or breakfast/booster club
2.Inclusion for pupils Supporting pupils who are disadvantaged and on the school's SEN register (doubly disadvantaged). Extending support to parents of this group of pupils as well	Small group interventions for reading (and phonics), writing and mathematics Training for all staff from school's Educational Psychologist Parent Workshops from Harrow Early Support . Booster clubs for reading, writing and mathematics. SEMH provision The above will reduce the attainment gap between children with SEMH and peers.
3.Supporting pupils who are EAL Additional support is in place for pupils who have English as an additional language and are disadvantaged	Phonics Catchup sessions by <i>Little Wandle</i> trained staff NELI programme Provision for dual language books through (Harrow Library Services) Curriculum Workshops for parents and additional time set aside to understand pupils' attainment expectations and ways to support them
4.Narrowing the gap Disadvantaged pupils' attainment is broadly in line with their peers	Through <i>quality first teaching</i> , and booster classes improvement in the attainment for pupils in: GLD in EYFS National Expectations in Year 1 phonics National Expectations or GDS in Year 2 phonics retake National Expectations and GDS (End of KS1 Assessments) National Expectations and GDS (End of KS2 Assessments)

	<p>1:1 and small group interventions for reading (and phonics), writing and mathematics</p> <p>No more than a gap of 10% between children who attract the pupil premium and their peers in reading, writing and mathematics.</p>
<p>5. Pupil Wellbeing</p> <p>Supporting disadvantaged pupils' mental health and wellbeing</p>	<p>Providing disadvantaged pupils with wellbeing catch-up sessions by the School's Learning Mentor</p> <p>Providing disadvantaged pupils with SEMH assistance via the Thrive programme</p> <p>Brick by Brick therapy</p> <p>Drawing and talking</p> <p>Providing disadvantaged children with support via the ELSA programme</p> <p>Senior Leaders have mental health and wellbeing training to support pupils' SEHM needs</p> <p>Pastoral days</p>
