Message from the Headteacher

Asalaam Alaikum parents and carers,

This is the last of my bi-weekly emails this term. A termly newsletter will be sent out next week.

I am delighted to be able to advise that the school has gained the Bronze Healthy Schools award and I would like to thank Mrs Saad for all her hard work around this project. She has already started work on obtaining the Transport for London Stars award, coupled with Active Schools status as our ardh ambassadors begin their cleaner air project at the beginning of the new year. I had the pleasure of meeting with a teacher from Harrow Boys School this week and I am hoping to let you know about some exciting opportunities for our children over the coming years in partnership with the boarding school.

I was extremely impressed by the children who took part in the Language Nut Arabic competition. At least 10,000 children worldwide took part in this and we had several children who made their way into the top 30–50 applicants which is an amazing achievement and one of which they should be very proud of. Well done to all! Congratulations to all the children who took part in the Bebras challenge which enabled them to test out their computational thinking skills. Many of our children participated, achieved merits and distinctions showing impressive skills in this area of their learning. Thank you to Mrs. Rizvi & Mrs. Sookun for arranging this. Next week our choir will visit a local old people's home to sing nasheeds. Many thanks to Mrs. Jessa for this lovely outreach project.

Well done to all of our boys and girls who were awarded their first Taekwondo level last week.

I would like to say a word of thanks to all of the various groups of parents who are selflessly giving up their time to help improve the school experience for all. The FOHPS quiz night was an amazing success and was very well attended. The event was very well organised and ran like clockwork from beginning to end, including the cleaning and tidying at the end. Well done for all your efforts to bring the school community together this term. I would also like to thank the parent working groups who have been working hard to provide better parking provision by pursuing negotiations with Harrow College. It is likely to take some time before we have a solution to this ongoing challenge but their efforts have been outstanding. I would also like to thank the parents that are giving up their time to help children get into school safely. All of the complaints from neighbours have dried up completely and we have even received thanks and messages of support. There are still a few issues regarding the need for care whilst parking on Brookhill. The school is not recommending that Brookhill should be used for parking as it is still unlawful to do so. At the very least, those doing this please be aware of pedestrians with buggies when opening car doors and avoid blocking the pathway altogether. Thanks to the parents that have provided substantial help in putting together the donations page on the website and for making lots of other arrangements behind the scenes. Finally, I would like to thank the wonderful parent volunteers that have been working with our children in the classrooms, in the library and other parts of the school. It has been amazing to watch the community come together over the course of this year and last and I am extremely grateful for your ongoing support. Please remember that school finishes at 1pm for EYFS/KS1 & 1.10pm for KS2 on Friday 19th December for the Winter break.

Wishing all of our families a peaceful weekend,

David Syed Head teacher

Message from the Faith Advisor

Salaam,

It was wonderful to see a beautiful and informative assembly from our Ardh Ambassadors (Eco Ambassadors) this week. They spoke about how we can 'respect' the earth and all of Allah's creation and blessings—starting from small acts at school such as recycling. The Eco Ambassadors carefully explained the different bins we have in school to help us increase our recycling efforts. They calculated that our school threw 180kg of food waste last week. We reflected on the verse 7:31 of the Holy Quran and decided that as a school we would challenge ourselves to reduce our food waste.

May Allah (SWT) help us all to show respect and gratitude for the creation and blessings Allah (SWT) has given us by using them in the right way and not wasting.

Mrs Jessa Faith Leader

وَكُلُوا وَاشْرُبُوا وَلَا شُرُفُوا إِنَّهُ لَا يُحِبُ الْمُسْرِفِينَ

Wa kulu washrabu wa **laa tusrifu**
innahu laa yuhibbul musrifeen

"...and eat and drink but **do not waste**. Indeed He does not love the wasteful."

7:31

Only take the salad you can finish eating
Be careful not to drop food on the floor

Finish everything on your plate
Say Bismillah when we start and Alhamdulillah when we finish

Dates for your diaries:

Events	Dates and timings
Bedtime Story Night Children to come to school in their comfiest pyjamas (Please refer to email)	Wednesday 17th December (Parents/Carers to join from 3.00–3.15pm)
Last Day of Term	Friday 19th December (School finishes at 1pm for EYFS/KS1 & 1.10pm KS2)
Winter Break	Monday 22nd December– Friday 2nd January
Staff Training Day/ School closed for pupils	Monday 5th January All children return to school on Tuesday 6th January 2026
*Please note: all Islamic dates are subject to the sighting of the moon These dates will be updated each term with more information	

Additional Information:

Maths.co.uk – New KS2 Online Learning Platform

We are pleased to let you know that KS2 classes are now using **Maths.co.uk**, an online platform filled with interactive maths quizzes and activities. Your child's class teacher will set tasks linked to current learning in school, as well as weekly homework activities.

Each child will receive their own unique username and password and instructions on how to log on. Teachers will show the children how to access the site in class so they feel confident using it independently.

Children can log in both at home and at school to complete their assigned work. Maths.co.uk is designed to support home learning, helping reinforce topics taught in lessons and allowing you to see your child's progress over time.

We look forward to seeing the children enjoy and benefit from this new learning tool!

Mrs Sookun Maths Lead

'Pupils of the Week' Achievements

Each week, we focus on one of our school values. During PSHE lessons and assemblies we discuss the importance of our school values and how we can demonstrate these by following the example of our beloved Prophet (PBUH). The value for this half term is **Respect**. We are very proud of our pupils demonstrating this value!

	Pupils' of the Week 5th December	Pupils' of the Week 12th December
An Noor	Zayn	Leyla Gu
Al Haqq	Ayoub	Kinza S
Al Kareem	Ahmed	Ryan
Al Hakeem	Zayn	Mashal
Al Khaaliq	Mohsen	Fatemah Zahra
Al Wahhaab	Hussein	Jaafar
Ar Raoof	Zahra Ran	Leen
Ash Shakoor	Batoul	Rafi
As Saboor	Sara	Masooma
Al Wadood	Zainab S	Safiyah M
Al Adl	Salman	Ali A
Al Ghafoor	Sultan	Isra

Attendance Awards Our target is 96% or more!

Well done to
Al Adl & Al Ghafoor
class for achieving the
best attendance across
school with %
w.e. 5th December

Well done to
Al Ghafoor
class for achieving the
best attendance across
school with %
w.e. 12th December

IN to WIN Attendance Winner

Well done to **Ayoub N (RH)** for
having 100% attendance this week!

Bronze Healthy School Award

We are pleased to let you know that our school is has achieved the **Bronze Healthy School Award**, recognising our ongoing commitment to supporting the health and wellbeing of every child.

This award reflects the whole-school approach we take to helping children develop healthy habits that last a lifetime.

The Healthy School Award celebrates schools which promote:

Healthier eating

We are continuing to promote nutritious food choices through our school meals and lunchbox guidance (only for children with specific dietary and/or additional needs). Children are encouraged to make balanced choices which fuel their learning.

More opportunities for physical activity

Daily movement is built into the school day through PE lessons, active playtimes, clubs, and whole-school initiatives that help keep children active, confident, and engaged.

Focus on emotional wellbeing

We are strengthening our support for children's emotional and mental health. This includes PSHE lessons on feelings and friendships, organised weekly Jumma Joy activities, and continued staff training to help us better support every child.

A supportive, inclusive environment

The award highlights our commitment to creating a school where all children feel safe, valued, and are ready to learn. Our policies, routines, and culture all support positive behaviour and showcase our school values: compassion, respect, service, integrity, gratitude and excellence.

As part of this work, parents and carers are requested to:

- Continue to ensure children are at school on time, as this supports good emotional health and being 'ready and active to learn'
- Promoting 'only fruit or vegetable snacks' and 'water only' at school for playtimes, as well as after school clubs.

Your continued support helps us make these initiatives successful, and we appreciate your partnership.

HUJJAT PRIMARY SCHOOL

Bedtime Story Night

CONSENT HERE!

We request a small voluntary contribution of £2 (on Arbor, under School Shop).

On Wednesday 17th December at 2:30 - 3:15,
Hujjat Primary School will be transformed into a world of stories and imagination!

Children are invited to come to school in their comfiest pyjamas and bring along their favourite teddy/cushion and storybook.

We will snuggle up, sip on delicious hot chocolate, and enjoy special stories read by our teachers and parents! ☕

We can't wait to see everyone ready for a cozy, fun-filled evening of stories and smiles!

Where: Classrooms @ 2:30 - 3:15

PARENTS AND CARERS TO JOIN IN FROM 3PM.

SEE MRS LAAMRI (2W) FOR MORE INFORMATION!
