Fees have not changed - \$46.00 per team per night (\$11.50 per person) (No splash fees or contest this year)  
There is a 45-second shot clock turned on, if you do not shoot in 45-seconds, your turn will be forfeited for that round  
501 games will be reverse handicap, same concept as last year  
- All players will start at a minimum of 501, higher ranked players start with a higher score, capped at 676 in 501  
Sandbagging will not be tolerated, players must refrain from intentionally throwing off, that will take away from the spirit of the league  
Board issue - if there appears to be an issue with the board registering correctly, do not pull the dart, the 2 team captain's will make final decision  
Start time - if you are running late, call the other team as a courtesy. 15 minutes late with no prior notice is a forfeit  
Reschedule a match - if you need to reschedule a match, you must do so at least 1 day in advance  
Make-up matches must be made up timely, forfeited matches are scored as 11-4  
Subs for regular season - subs can be used anytime but please enter first and last name of players  
New players/subs for reg. season - Guys will come in at 23.00/2.30, girls will come in at 16.00/1.60 unless they have a higher/lower rating in another league  
Subs for playoffs - subs must have played at least 5 of the weeks to qualify  
- If there is an extreme exception/emergency, subs w/< than 5 weeks will come at the higher of the following:  
- MPR/PPD of all players on the team they are subbing for  
- Ranking in Bell Music or any other league  
- This will be the final decision of the league director  
- We encourage not to use last minute subs, but understand things do happen and we just want it be fair competition  
No play on December 24th or December 31st for the Holidays  
Fighting and/or abusive language/threats during league play will NOT be tolerated and will be cause for immediate expulsion from the league

 Play-off format - Start match the same as regular league match (Icon will say 2025 Play-Offs on the screen when entering league play)  
 First team to reach 8 wins, wins the match and moves on to next round the following week (You can exit league after 8 wins)  
 The game and shooting order will be modified to what was used last year during play-offs  
 League fees remain the same, however, put in only enough quarters to play each game to ensure you don't put in more quarters than you need
