Tuesday 4-Person Travel Team 2026/2027 - Start Time is 7:00pm

Standard Rules for all Leagues (Details can be viewed on georgemusicco.com website)

All Doubles leagues are 13or 15 games (Combination of X01 and Cricket)

There is a 45-second shot clock turned on, if you do not shoot in 45-seconds, your turn will be forfeited for that round

Board issues- if there appears to be an issue with the board registering correctly, do not pull the dart, the 2 team captain's will make final decision

A dart thrown is a dart thrown, a dart thrown and registered as a "Miss" does not impact the calculation for averages

Start time - if you are running late, call the other team as a courtesy. 15 minutes late with no prior notice is a forfeit

Reschedule a match - if you need to reschedule a match, you must do so at least 1 day in advance

Make-up matches - please try to make up the match within 3 weeks and must be made up 2 weeks before the end of the season or will be scored as a forfeit

Forfeits will be scored as follows: 13 game leagues (10-3), 15 game leagues (11-4)

Subs for regular season - subs can be used anytime but you must enter first and last name of player(s) (Must use current stats if a handicap league)

New players - Male 20.00/2.00 Female 15.00/1.50

If you cannot find a sub player, you can use a ghost player, enter "ghost: as the name with no handicap, you then skip the ghost turn by hitting the button on their turn

All teams make the playoffs

All playoffs are a race to 7 wins in 13-game leagues and race to 8 for 15 game leagues (NO league fee during playoffs, you only pay quarters)

All team standings and player stats will be posted on the George Music website

Fighting and/or abusive language/threats during league play will NOT be tolerated and will be cause for immediate expulsion from the league

Most important rule - HAVE FUN and be respectful to other players !!!!
