Board issues- if there appears to be an issue with the board registering correctly, do not pull the dart, the 2 team captain's will make final decision

Start time - if you are running late, call the other team as a courtesy. 15 minutes late with no prior notice is a forfeit

Reschedule a match - if you need to reschedule a match, you must do so at least 1 day in advance

If you are playing in a traveling league, you must play at the scheduled location in fairness to bar owners, only extreme circumstances out of your control should the match played remotely

Make-up matches - please try to make up the match within 3 weeks and must be made up 2 weeks before the end of the season or will be scored as a forfeit

Forfeits will be scored as follows: 11 game leagues (8-3), 13 game leagues (10-3), 15 game leagues (11-4)

Subs for regular season - subs can be used anytime but you must enter first and last name of player(s) (Must use current stats if a handicap league)

New players - Male 20.00/2.00 Female 15.00/1.50

If you cannot find a sub player, you can use a ghost player, enter "ghost: as the name with no handicap, you then skip the ghost turn by hitting the button on their turn

All teams make the playoffs and all teams will get a payout at the end (Amounts will vary based on final results)

All playoffs are a race to 8 wins in 15-game leagues, race to 7 in 13-game leagues and a race to 6 in 11-game leagues, there will NO league fee during playoffs, you only pay quarters

All team standings and player stats will be posted on the George Music website
