CORRECTION

Apologies to **ReLeaf's newest Board member**, Russell Thienpont. I made multiple mistakes in my rush to get the Fall newsletter out. Here is his corrected bio:

Russell Thienpont holds degrees in Applied Science in Forestry, a Bachelor of Science in Forest Management and a Master's of Science in Industrial Forest Engineering.

He worked for multiple companies, including Weyerhaeuser here in Plymouth, in Harvesting Research and Development. After leaving Weyerhaeuser, he established and operated East Carolina Import Services (ECIS) auto repair on Hackney Avenue for 38 years.

Russell has been retired for 5 years, is an elder in the First Presbyterian Church and an avid water skier.

We're so excited to have his expertise to help care for our current trees and plan for our multiple upcoming planting projects!!
