

RELEAF WASHINGTON

PLANT, PROMOTE, PROTECT

Summer is better with lots of Trees!

Upcoming Events

We'll hold another work day in the fall and a fundraiser again at Pitt Street Brewery in October.

We'll send out email and social media once we confirm the dates.

Adopt Our Trees Program

Adopt a ReLeaf planting site and help care for our city's trees.

This includes annual pruning and mulching. See available sites on the next page and reach out to learn more!

Spring 2025 Work Day

ReLeaf held its annual general meeting on Saturday, April 19.

We were joined by a great group of volunteers and then split into teams to prune, mulch and fertilize trees in several areas:

- Oaks at Havens Gardens and misc. trees at Bug House Park
- Oaks at Susie Gray McConnell Complex
- Pecan/Mulberry grove on Pennsylvania Ave.

Thanks so much to everyone who helped. You make such a difference!

Tree Planting Sites

We've updated our map and list of tree plantings. We're also finalizing our planting list for this fall and next spring, with a possibility to plant as many as 50 more trees. We continue to work with the City of Washington, the Parks & Recreation Dept. and the Washington Housing Authority to develop new planting opportunities and appreciate their support. Please reach out to us if you have ideas for new planting sites!
