Plant, Promote & Protect

Plantings

During the non-planting months ReLeaf has been busy planning for the next upcoming planting season. A planning committee has been established. If you are interested in volunteering please reach out to us at releafwashington@hotmail.com.

Volunteer Opportunities

ReLeaf is in the process of forming committees. If you are interested in volunteering with our group please e-mail us or call 252-945-1982. Thank you!

Welcome

During this difficult time of Covid-19 the ReLeaf board has remained effective in continuing our meetings virtually so we can continue our goals of improving the green spaces and environment in Washington. We have also had some leadership changes that we are excited to share.

Please join us in welcoming Susan Sizemore-Watson to our ReLeaf board! Susan's passion for the environment and her business background operating Watson In Homes, a successful local fabric and reupholstery store, will help ReLeaf continue to use our dollars and resources to the best of our ability.

We are also happy to welcome Hannah Tubaugh! Hannah loves nature and trees and helping to take care of the environment. She's loved being able to share her interest in ReLeaf with her own children and the children she comes into contact daily teaching at WMPCS.
