PLANT, PROMOTE, PROTECT

The Planning Season

While the heat index grows so do our efforts to coordinate and plot our planning efforts for next season.

We will also continue to grow our budding partnerships with the City of Washington, Washington Housing Authority, Warren Airport, Beaufort County Community College and others throughout the year with an ambitious goal of planting ~100-125 trees next planting season. These efforts would not be made possible without our partnerships and we are very grateful for their willingness to see the benefits of ReLeaf Washington to their organizations.

Welcome Happy Summer ReLeafers!

We had a small but vibrant group of volunteers for our Maintenance Day 2022. A big thanks to board member Ben Hudson for educating all of us on best practices for tree trimming and healthy maintenance tips! Use this link [Ben Hudson Maintenance Day Demo](#) to watch him guide us all to become better tree Protectors!
