

RELEAF WASHINGTON

Plant. Promote & Protect

Plantings

There have been two plantings during the beginning days of our group.

- Two trees at Bobby Andrews Rec Center
- Seven trees at P.S. Jones Memorial Park

Board Member
Frank Phelps and
James Smallwood,
a P.S. Jones
Alumnus plant one
of the seven trees
at P.S. Jones
Memorial Park

Welcome

If you are reading this then THANK YOU for your interest in our newly formed non-profit, ReLeaf Washington. Your contributions, whether through donations, endorsements or volunteerism have helped us establish our “roots” and we look forward to growing for many years to come!

RELEAF WASHINGTON

Partnerships

While waiting for cooler temperatures to resume tree plantings, we have been busy creating partnerships throughout the city. We are proud to count Washington Parks and Recreation Department, P.S. Jones Alumni Association, and the Historic District of Washington as newly formed collaborators helping in the promotion, planting and maintenance of our trees.

Kathy Whichard with D.A.R. presents Heather Thienpont, President, with a donation check from her organization.

Upcoming Projects

- ❖ Collaborating with the City of Washington to plant trees in and around the downtown district, focusing on the area between Stewart Parkway and Main Street.
- ❖ The Historic Commission is partnering with ReLeaf to give residents in the historic district an option to donate a tree to be planted elsewhere in the district in lieu of replacing one on their property.
- ❖ We are also reaching out to local high schools to offer opportunities to Juniors and Seniors who require volunteer hours for graduation and college applications.

Thank You!!

The outpouring of support for
our organization has been truly
inspiring. As a volunteer group,
this mission would be impossible
without your support!
