

What are the best questions for my Akashic Records reading?

Ask questions that start with what, why, and how etc. because these open-ended questions open up more information to flow. **Think of questions as portals**, opening up knowledge to pour thru! Ask questions that align with the shifts you want to make in your life.

Suggested Akashic Records questions:

1. What am I here to do in this lifetime?
2. What are my gifts and talents that fulfill my soul purpose?
3. What are my life lessons?
4. Is there anything from a past life I need to know for this life?
5. How to heal ancestral lineage?
6. What do I need to do to heal past trauma?
7. What do I need to do to get unstuck?
8. Why can't I get over the fear of _____?
9. What health issues/areas do I need to focus on?
10. Does this job/business/education program etc. fit into my soul's path?
11. Why do the same things keep happening in my (relationships, finances, jobs) / why do I keep repeating same patterns?
12. How can I let go of my past relationship with....?
13. Is there anything else the Akashic Records want me to know today?
