

A woman with curly hair, wearing a black helmet and a light blue button-down shirt, is riding a dark-colored electric bike. She is smiling and looking down at the handlebars. The bike has a large battery pack on the frame. The background is a blurred park with green trees and a path. The text 'OHM' is overlaid in large white letters, with 'ELECTRIC BIKES' and 'JOURNEY SUV' below it.

OHM[®]

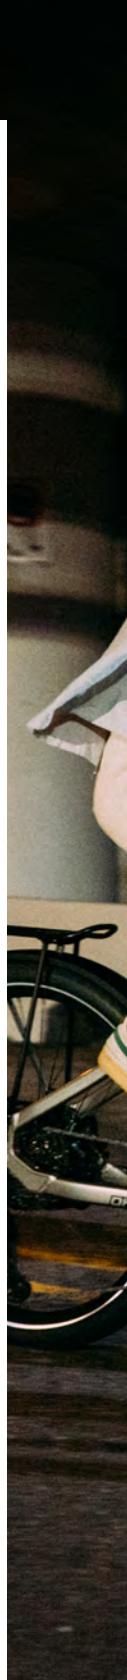

ELECTRIC BIKES

JOURNEY SUV

Built for the Commute Ready for Adventure

MEET THE NEW JOURNEY SUV

Picture the open road stretching ahead, the hum of your e-bike's motor, and the thrill of knowing you can go anywhere, anytime. Designed for those who crave spontaneity, this e-bike is ready to take you from city streets to trails in a heartbeat.

POWER

JOURNEY SUV

POWER THAT INSPIRES CONFIDENCE

Feel the surge of power as the Journey SUV's high-torque motor propels you forward, effortlessly conquering steep hills and trails. With its long-range battery system, you'll have the freedom to explore farther than ever before.

ENHANCED POWER & TORQUE

Top-tier drive system that combines power, efficiency, and lightweight design.

SMOOTH SHIFTING

Flawless gear changes with **Shimano CUES**. Available **AUTO SHIFT** adapts seamlessly to any terrain for effortless, smooth rides.
