2023

As we enter into this season of Lent, we prepare our hearts and lives to remember who Jesus is, and what He has done on our behalf- even though we did not deserve it. Jesus, the Son of the Most High God, walked this earth as an ordinary human man. He could have remained in Glory with God His Father. Instead, He chose to become a human being just like us. He gave up His place of privilege at the right hand of the Father. Why? Because He chose to live among us, to endure the difficulties and struggles that we encounter daily. He experienced the same difficulties we experience, suffered the same types of illness, the negative reactions of other humans, the trials we encounter as well as the joys.

Most importantly, Jesus came to earth because He was the only one who was able to take our place, to willingly die a horribly painful death nailed on a cross to pay the penalty of our sinfulness. Because of what He did on our behalf, when we humble ourselves before God, and seek forgiveness for our sins, we are forgiven. Even though we may not deserve God's forgiveness, God sees as clean, holy in His sight, forgiven.

Don't let this Lenten season pass by without daily taking time to thank God for the gift of His one and only Son. We are not worthy of Christ's amazing gift to us. Spend time in the presence of Jesus in the coming days. Offer your thankfulness for what He has done for you. Tell someone else about the God you serve, for they may have never heard of Christ's gift waiting for them. Forgiveness is a prayer away!

HOPE CIRCLE BOOK DISCUSSION GROUP

Hope Circle will meet on Thursday, March 9th, at 11:00 in the Social Room to discuss *The Book Woman's Daughter* by Kim Michele Richardson. In the ruggedness of the beautiful Kentucky mountains, Honey Lovett has always known that the old ways can make a hard life harder. As the daughter of the famed blue-skinned, Troublesome Creek packhorse librarian, Honey and her family have been hiding from the law all her life. But when her mother and father are imprisoned, Honey realizes she must fight to stay free, or risk being sent away for good.

Picking up her mother's old packhorse library route, Honey begins to deliver books to the remote hollers of Appalachia. Honey is looking to prove that she doesn't need anyone telling her how to survive, but the route can be treacherous, and some folks aren't as keen to let a woman pave her own way. If Honey wants to bring the freedom that books provide to the families who need it most, she's going to have to fight for her place, and along the way, learn that the extraordinary women who run the hills and hollers can make all the difference in the world. (From the publisher.)

Please consider Hope Circle, a place to enjoy fellowship and discussion.
