

Wondering What It Will Cost?

Quilting Cost: (note: taxes included)

Continuous Line pricing is based on the total square inch of the product and the density of the quilting

3 cents per square inch (0.03) - 4 cents per square inch (0.04) dense quilting

To calculate: inches of width X inches of length x 0.03 or 0.04 =

Custom Quilting pricing: \$25 Per hour x estimated hours (see estimates below)
Minimum custom quilting is \$60

Baby	3 hours	\$60-75
Twin	5-6 hours	\$125-150
Queen	12 hours	\$300
King	15 hours	\$375
Big Dream	10 hours	\$250

Batting Cost: (\$12 meter tax included) if available **Hobbs 80/20**

Wideback Fabric Cost (\$16 Meter tax included) if available **Northcott products**

Trimming of threads \$10 per 30min

Trimming of Quilt post quilting \$10
