

Sark Medical Practice

Community First Responders – Volunteers Needed

We are recruiting new volunteers to join our **Community First Responders (CFR) team**.

This is a **voluntary service** that supports the Doctor in responding to **serious medical emergencies** within the community. Full training and certification are provided.

All candidates will be subject to a **DBS check, health assessment and will be required to sign a confidentiality clause**.

Applicants must:

- Be **18 years or over**
- Be a **resident of Sark**
- Be able to commit to **one week on call every 6–7 weeks**
- Attend **monthly training sessions**
- Be of a **good level of physical fitness**
- Be available for the **initial training weekend in late September / early October 2026** (date TBC)

This is an extremely rewarding opportunity to play a vital role in supporting our community with emergency care on Sark.
