Supply Opportunities in support of La Coupée Stabilisation Works

The Douzaine is seeking to source material, facilities and labour locally in support of the upcoming works to stabilise La Coupée. The works are scheduled from Mon 13 Apr to Fri 2 May including weekends (Mon – Sun working). Daily schedule from 6.30am to 6.30pm with 3 scheduled crossings as below.

To tender for any of the below, please provide a quote to the Douzaine in writing to the Committee Office or by email to ali.bateson@sarkgov.co.uk by 12 noon, Thurs 19 March 2026.

1. Delivery* of plant/materials on and off La Coupée to storage area at start and end of the working day 6.30am – 6.30pm, for scheduled crossing times 8am-8.30am, 11.45am-12.45pm, 3.45pm-4.15pm.
Will require Tractor with Trailer, Telehandler with Driver / General Hand.
Not full time - needed intermittently on call during the works.
Could be combined with Concrete / Transport / “Top man”
2. 15m³ mixed Concrete*. Contractor to supply own plant / materials.
To meet minimum 20N/mm² at 28 days
3. 1 tonne dumper*.
To transport concrete to workface from mixer and ferry equipment as needed.
4. * When not mixing or transporting concrete, the team (est 2 x Driver / General Hands) will cover other tasks:
 - a. “top man” for the rope technicians (general liaison/support/ delivery) – split between the 2 people.
5. Water bowsers x 2
6. Shuttering materials:
15 sheets 22mm shuttering ply
45m of 4 x 2 timber
nails to suit
7. Bicycles – 6 required
