

Douzaine

Invitation for tenders - Old Island Hall Toilets

The Douzaine invites tenders for the following works to be carried out at the Gent's toilets at the Old Island Hall.

- Urinal – clean and remove old grout between wall slabs and trough and replace with new waterproof grout.
- Basin wall – Replace all tiles for new white tiles. NB due to the amount of rust on the wash hand basin brackets these will have to stay in place. Paint all pipes as needed in white.
- Any rotten timber cut out and replaced as needed, replace old boxing by radiator with new ply, prime, undercoat and top coat with white satin.
- Main ceiling above basins and beam – remove old plasterboard and replace. Plaster the ceiling on both sides of the beam. Undercoat, top coat in white satin.
- All wall and ceilings to be washed down and prepped for painting e.g. fill all crack and holes. Prime, undercoat and top coat in white satin.
- All door and door frames, windows and window frames – clean, sand, prime, undercoat and top coat in white gloss.
- Floors – to be scraped, cleared and repainted with suitable hard-wearing floor paint.

Please include when you can start the work and how long you expect it to take.

Please submit your tender to the Douzaine in writing to the Committee Office or by email to ali.bateson@sarkgov.co.uk by 12 noon on Thursday 12th November.

For more information on the work, please contact Michael Lanyon either in person or by email michael.lanyon@sarkgov.co.uk
