La Coupée re-opens 3 ½ days early after April 2026 works

28 Apr 26

The Douzaine is pleased to announce that La Coupée is now open, as of 1pm Tues 28 Apr 26. Please continue to observe the speed limit of 5mph (slower if possible) and the trailer load limit of 750kg.

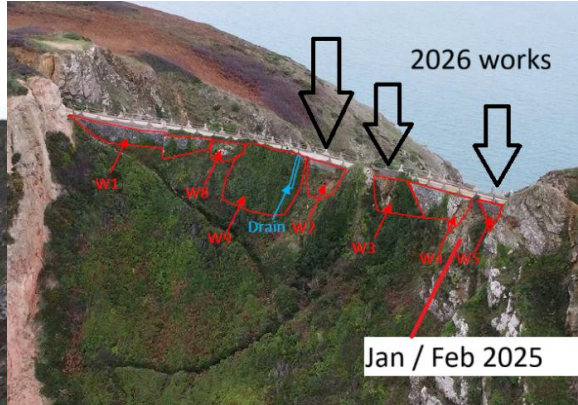

The re-opening is 3 ½ days early thanks to the sterling efforts of the Geomarine Team and the Sark Team working every day since the works started on Mon 13 Apr 26.

More details of the works carried out will be released later this week. Further works are planned for 2027 and beyond in order to keep La Coupée open and as stable as possible for the foreseeable future.

Areas: East face (Jersey side) E9, E10;

West face (Guernsey side) W2, W3, W5

inspected on 12th February 2025, Eastern Face
