Update on the Annual Audited Accounts

The Policy & Finance Committee wishes to inform the public that the annual audited accounts will not be included in the papers for the forthcoming Easter meeting of Chief Pleas. The independent auditors have undertaken a more detailed review this year and have not yet completed their work. The Treasurer has been working closely with them throughout the process and all required information has been provided in a timely manner. Once the auditors have finalised their report, the accounts will be shared with Members and the public as soon as they are available and will be presented to the next available meeting of Chief Pleas.

The Committee thanks everyone for their understanding.
