### **RECRUITMENT OF ABATTOIR MANAGER**

Due to the planned retirement of the existing Abattoir Manager the Sark Agriculture, Environment & Fisheries Committee wish to recruit a person to take on the role. This will be a long-term appointment on a part-time basis. Whilst prior knowledge of animal handling and food production would be an advantage it is not essential as full training will be provided. The existing Abattoir Manager will be available to help train and hand over the duties to the new person.

We now invite expressions of interest from persons who wish to be considered to take on this role which is central to the operation of the new abattoir and to farming on Sark.

**Applications should be made to The Agriculture, Environment & Sea Fisheries Committee by midday, Friday 17<sup>th</sup> December 2021.**
