POLICY & FINANCE COMMITTEE

Report with proposition to Christmas Chief Pleas, 19th January 2022

CODE OF CONDUCT REPORT

In November 2021 several Code of Conduct complaints were made by a resident against a Conseiller.

In accordance with the Code of Conduct, a Panel was set up by the Seigneur to investigate these complaints.

Copies of the Panel's findings are attached to this report.

Now, as part of the procedure Chief Pleas are asked to accept this report from the Code of Conduct Panel.

Proposition –

That Chief Pleas accepts the report received from the Code of Conduct Panel.

6th. December 2021

Interim Report

on Complaints against **Conseiller John Guille** submitted by **Alan Witney-Price**.

Introduction.

On the 30th. December 2021 the Panel Chairman, Jeremy La Trobe Bateman, received documentation containing complaints, dated 16th. and 19th. November 2021, against the conduct of Conseiller John Guille, forwarded from the Seigneur, Christopher Beaumont (Chairman of the Appointments Committee).

At the time of receipt by the Seigneur, the Code of Conduct Panel was not fully filled, hence the delay in actioning the complaints.

On receipt, the Panel Chairman immediately wrote, by letter dated 30th. November, to Mr Witney-Price (a.k.a. as Alan Jackson) and Conseiller Guille informing them that the complaints had been received and an **Initial Assessment** would take place, as per the “Code of Conduct – Conseillers of Chief Pleas” (“the Code”) government procedures document, and they would be informed of the outcome within 10 days.

As permitted by the Code, the Chairman elected to seek the assistance of another Panel member and consulted Peter Cole, an ex university lecturer and widely experienced. Peter Cole was a member of Chief Pleas some years ago and is fully conversant with its motions.

The Chairman forwarded the complaints document to Mr Cole, without comment, and a meeting between the two to discuss the matter took place on Thursday 2nd. December 2021.

The Complaint

Mr Witney-Price alleges that Conseiller Guille has misused his position as Chairman of the Policy and Finance Committee in the following areas:-

- Failed to treat others with respect.
- Intimidated, or attempted to intimidate others.
- Conducted himself in a manner which is contrary to Chief Pleas' duty to promote and maintain high standards.
- Has compromised or attempted to compromise the impartiality of anyone who works for or on behalf of Chief Pleas.
- Improperly disclosed confidential information.
- Has brought the office of Chief Pleas into disrepute.
- Improperly used his position to confer an advantage, or disadvantage, on his self or another.
- Improperly used the resources of Chief Pleas.

All the above relates to an ongoing dispute between the Policy and Finance Committee and Mr Witney-Price, Managing Director of Sark Electricity.

It is noted that the complaints contains references to the Committee Secretary and the Committee itself, as well as persons unknown – none of which concerns the Code of Conduct Panel, which is **only** concerned with individual conseillers. (Complaints 1 and 3)

Assessment

The Chairman and Mr Cole, having reviewed the submission of Mr Witney-Price and discussed the contents exhaustively, do not believe that there is any merit in the complaints that justifies the matter being taken further to a full panel hearing. And we deal with the complaints in order to justify the above:

1. Complaint 2. Conseiller Guille's alleged attempt to intimidate the Seigneur concerning wayleaves . *"SEL believes this was done in an attempt to intimidate the Seigneur into...."* This is pure supposition on SEL part, as there could be any number of reasons for Cons. Guille to discuss matters with the Seigneur. In the absence of any evidence, or comment / affidavit from the Seigneur as to whether he felt intimidated or not, we are compelled to reject Complaint 2.
2. Complaints 4 and 5 concerns a statement made by Cons. Guille in Easter 2021 Chief Pleas concerning the alleged failure of SEL to provide detailed maps of underground cabling to landowners and the need, therefore, for Chief Pleas to sanction a survey. Mr Witney-Prices position is that Cons. Guille deliberately misrepresented the situation concerning who was to provide what, thereby squandering C.P. resources. However, no evidence has been provided to demonstrate **deliberate** intent to deceive; that is was "deliberate" is only Mr Witney-Prices opinion. Cons. Guille, protected by "privilege" whilst in Chief Pleas, is entitled to express his opinion on matters before his committee, indeed, that is the job of the Chairman. Other conseillers can question any statement, should they choose to do so.
3. Complaint 6. That Cons. Guille misrepresented to Chief Pleas the extent of the correspondence between Policy and Finance and SEL. Mr Witney-Price appears to be suggesting – and it is not easy to extract his meaning from the text provided - that this bulk of correspondence indicates ongoing progress between the parties. It could

equally mean that negotiations were going nowhere; and Mr Witney-Price admits having zero confidence in Policy and Finance. We cannot see where Cons. Guille has offended to the extent that requires the censure of Chief Pleas.

4. Complaint 7 follows on from 6 and concerns Cons. Guille giving an interview to the media after the Chief Pleas meeting repeating elements of his statement given within the Assembly. Our view is that C.P. is held in public, his statement was made before the public in C.P. and it is perfectly reasonable - almost normal procedure - to repeat the gist of the statement outside the assembly to the media if invited to do so. Mr Witney-Price is at liberty to respond if he feels the statement erred.

To summarise, in our opinion, Mr Witney-Prices “scattergun” approach contains no evidence of misdeeds by Cons. Guille sufficient to warrant a full investigation by the Panel and we do not believe it would be in the public interest to do so. Consequently, here the matter ends.

PART I

SCREENING, ASSESSMENT, AND POWERS TO DETAIN ETC, AND CONTROLS
ON TRAVEL INTO THE BAILIWICK

Decisions of MOH and the Authority to impose restrictions and requirements.

1. (1) Subject to paragraph (3), the Medical Officer of Health ("the MOH") may not impose a restriction or requirement under this Part unless the MOH has sought the advice of Her Majesty's Procureur in relation to the appropriateness and proportionality of the proposed requirement or restriction, and has taken account of that advice.

(2) Subject to paragraph (3), the Civil Contingencies Authority ("the Authority") may not impose a requirement under regulation 7(1) unless the Authority has sought the advice of the MOH in relation to the appropriateness of the proposed requirement and has taken account of that advice.

(3) Neither the requirement in paragraph (1) nor the requirement in paragraph (2) applies where the MOH or the Authority (as the case may be) considers that, in all the circumstances, it would be impracticable to comply with it.

^b Order in Council No. XIV of 2000; amended by No. I of 2005; Ordinance No. XXXVII of 2001; No. XXXIII of 2003; No. XX of 2015; No. IX of 2016; No. XXVI of 2018; and G.S.I. No. 27 of 2006.

(4) Where the MOH imposes a restriction or requirement under these Regulations without seeking the advice of Her Majesty's Procureur, in reliance on paragraph (3), the MOH shall, as soon as reasonably practicable, give notice that he or she has done so to Her Majesty's Procureur.

(5) Where the Authority imposes a requirement under regulation 7(1) without seeking the advice of the MOH, in reliance on paragraph (3), the Authority shall, as soon as reasonably practicable, give notice that it has done so to the MOH.

Detention of persons by the MOH.

2. (1) This regulation applies where the MOH has reasonable grounds to believe that a person ("P") –

(a) is, or may be, infected or contaminated with, or is suspected or confirmed to be suffering from, coronavirus, and there is a risk that P might infect or contaminate others, or

(b) has arrived in the Bailiwick by air or sea and has left an infected area within the 10 day period immediately preceding the date of P's arrival in the Bailiwick.

(2) Where paragraph (1)(a) or (b) is met in relation to P, the MOH may, for the purposes of screening, assessment or the imposition of any restriction or requirement under regulation 3, impose on P a requirement to be detained until the later of –

- (a) the end of the period of 48 hours beginning with the time from which P's detention under this regulation begins,
- (b) such time as any screening requirements imposed on or in relation to P under regulation 3 have been complied with and the assessment referred to in that regulation carried out in relation to P.

Imposition of restrictions and requirements: general.

3. (1) Where regulation 2(1)(a) or (b) is met in relation to a person ("P"), the MOH may –

- (a) (orally or in writing) impose on or in relation to P one or more screening requirements to inform an assessment by the MOH of whether P presents, or could present, a risk of infecting or contaminating others,
- (b) carry out such an assessment in relation to P, and
- (c) following such an assessment, (orally or in writing) impose on or in relation to P any other restriction or requirement which the MOH considers necessary for the purposes of removing or reducing the risk referred to in subparagraph (a), including (without limitation) the restrictions or requirements set out in paragraph (2).

- (2) The restrictions or requirements are –
- (a) that P submit to medical examination,
 - (b) that P be removed to a hospital or other suitable establishment,
 - (c) that P be detained in a hospital or other suitable establishment,
 - (d) that P self-isolate,
 - (e) that P be disinfected or decontaminated,
 - (f) that P wear protective clothing,
 - (g) that P provide information or answer questions about P's health or other circumstances,
 - (h) that P's health be monitored and the results reported,
 - (i) that P attend training or advice sessions on how to reduce the risk of infecting or contaminating others,
 - (j) that P be subject to restrictions on where P goes or with whom P has contact,
 - (k) that P abstain from working or trading.

(3) For the avoidance of doubt, a requirement to self-isolate imposed under paragraph (1) may be for such period as the MOH thinks necessary in all the circumstances, and may include provision for that period to be shortened in circumstances where P undergoes a test for COVID-19 and the result of that test is negative.

(4) A restriction or requirement imposed under paragraph (1) may be varied by the MOH orally or in writing.

(5) Neither paragraph (1) nor regulation 5 or 7 affects the exercise of any powers under regulation 11; and nothing in this regulation (or in any other provision in these Regulations) affects the MOH's powers under any other enactment.

(6) In this regulation and regulation 7 a power to vary a requirement or restriction includes a power to revoke it.

Critical Workers.

4. Schedule 1 (concerning Critical Workers) has effect.

Requirement to self-isolate on arrival in the Bailiwick.

5. (1) Subject to –

(a) provision made in or under Schedule 1 (concerning Critical Workers) or Schedule 2 (concerning Country Categories, which Schedule has effect), and

(b) paragraph (2),

a person ("P") who has arrived in the Bailiwick from outside by air or sea, other than a Blue Arrival, must self-isolate for 10 days; and for the avoidance of doubt, subject to any direction to the contrary from the MOH in any particular case, and to any direction from the Authority in relation to one or more categories of case or in relation to all cases, a Blue Arrival is not required to self-isolate.

(2) A child under the age of 5 who has arrived in the Bailiwick by air or sea is not required to self-isolate.

Requirement to self-isolate on arrival in the Bailiwick: requirement to provide information, etc.

6. (1) Before travelling to the Bailiwick from any place outside the Bailiwick, and on arrival in the Bailiwick from any place outside the Bailiwick, a person ("P") (other than a child under 12 years of age) must provide such information–

(a) relating to –

- (i) P, and P's travel during the 10 day period immediately preceding the date of his or her arrival in the Bailiwick, and
- (ii) any child under 12 years of age travelling with P, and that child's travel during the 10 day period immediately preceding the date of his or her arrival in the Bailiwick,

- (b) in such a way (including, but not limited to, by entering that information on the States of Guernsey Travel Tracker website),

as the MOH may reasonably require (generally, in relation to a category of case into which P falls, or in relation to P's particular case) for the purposes of these regulations.

(2) On arrival in the Bailiwick from any place outside the Bailiwick, P must, if required –

- (a) answer any question put to him or her by a relevant officer relating to his or her travel, and the travel of any child travelling with that person, during the 10 day period immediately preceding the date of his or her arrival in the Bailiwick,
- (b) provide any travel document specified by a relevant officer relating to that person, or a child travelling with that person, for inspection,
- (c) provide his or her Critical Worker Exemption (if any) for inspection, and
- (d) answer any question put to him or her by a relevant officer relating to that travel document and Critical Worker Exemption.

(3) Where a person, acting pursuant to a request or instruction

from P, enters information relating to P on P's behalf on the States of Guernsey Travel Tracker website, whether before or on P's arrival in the Bailiwick, P shall be treated (including, but not limited to, for the purposes of regulation 16(2)) as having entered the information himself or herself.

Requirement to self-isolate on arrival in the Bailiwick: supplementary.

7. (1) The Authority may, by publication on the relevant States of Guernsey website, impose a requirement that any person who has arrived in one Island in the Bailiwick from another Island in the Bailiwick must (subject to provision made in or under Schedule 1) self-isolate for 10 days.

(2) The requirement to self-isolate under regulation 5(1) may be varied by the MOH in relation to a particular case, orally or in writing, and a requirement to self-isolate imposed under paragraph (1) may be varied by the MOH

–

(a) by writing in relation to categories of case, and

(b) orally or in writing in relation to a particular case.

(3) The MOH must take into account any relevant policies of the Authority before exercising her powers to vary a requirement to self-isolate under this regulation.

(4) The requirement to self-isolate under regulation 5(1) may be varied by the Authority in relation to one or more categories of case, or in relation to all cases, by publication on the relevant States of Guernsey website.

(5) The powers to vary of the MOH under paragraph (2) and of

the Authority under paragraph (4) include (but are not limited to) powers to –

- (a) specify exceptions to the requirement to self-isolate,
- (b) shorten the duration of the requirement to self-isolate, either unconditionally or on the MOH or the Authority (as the case may be) being satisfied that one or more specified conditions have been met, and
- (c) impose any requirements and restrictions on persons other than the person who has arrived in the Bailiwick that are reasonably necessary as a consequence of the variation of the relevant requirement on that person.

(6) For the avoidance of doubt, and without prejudice to the generality of paragraphs (2), (4) and (5), in any case where the MOH exercises a power to vary under paragraph (2) or the Authority exercises its power to vary under paragraph (4) –

- (a) the MOH or the Authority may consult such persons as she or it (as the case may be) thinks fit in respect of the exercise of the power in question, and
- (b) that variation may be amended or revoked in accordance with paragraph (7), and if amended shall be treated for all purposes as continuing to have effect in accordance with its terms.

(7) In any case where –

- (a) the MOH has exercised a power to vary, the MOH may amend or revoke that variation orally or in writing (in a case where the requirement was varied orally), and in writing (in a case where the requirement was varied in writing), or
- (b) the Authority has exercised its power to vary, the Authority may amend or revoke that variation by publication on the relevant States of Guernsey website,

and the amendment or revocation shall have effect from such time as the MOH or the Authority (as the case may be) may specify.

(8) Where a restriction or requirement is imposed on or in relation to a child under regulation 5 or this regulation (including the requirement to self-isolate under regulation 5(1)), a person who is a responsible adult in relation to the child must ensure that the child complies with the restriction or requirement, insofar as that person is reasonably able to do so.

(9) Where a restriction or requirement is imposed orally on a person under regulation 3 or 5 or this regulation, or a restriction or requirement is orally varied, the person (or, in the case of a child, a person who is a responsible adult in relation to the child) must be provided with a written notification of the restriction or requirement that has been imposed or varied as soon as reasonably practicable.

Screening requirements.

8. (1) For the purposes of these Regulations, the screening

requirements in relation to a person ("P") are requirements to the effect that P must –

- (a) answer questions about P's health or other relevant circumstances (including travel history and information about other individuals with whom P may have had contact),
- (b) produce any documents which may assist the MOH in assessing P's health,
- (c) at such a time as the MOH may specify, allow a biological sample of P to be taken, including a biological sample of P's respiratory secretions or blood, by appropriate means including by swabbing P's nasopharyngeal cavity, or provide such a sample, and
- (d) provide sufficient information to enable P to be contacted immediately by the MOH during such period as the MOH may specify, where the MOH considers that such provision of information is necessary in order to reduce or remove the risk of P infecting or contaminating others.

(2) Where P is a child who is accompanied by a responsible adult, the responsible adult must –

- (a) ensure that P answers questions in accordance with paragraph (1)(a),

- (b) answer the questions if P is unable to do so or cannot reliably do so,
- (c) produce any documents, required under paragraph (1)(b), on P's behalf,
- (d) allow a biological sample of P to be taken, including a sample of P's respiratory secretions or blood, by appropriate means including by swabbing P's nasopharyngeal cavity, or provide such a sample, and
- (e) provide information where required by the MOH under paragraph (1)(d).

Imposition of further restrictions and requirements.

9. (1) Where regulation 2(1)(a) or (b) is met in relation to a person ("P") –

- (a) following an assessment by the MOH of the risk presented by P in accordance with regulation 3(1), or
- (b) following P's release from detention under regulation 2, or from self-isolation under regulation 10,

the MOH may (orally or in writing) impose on P any one or more of the requirements specified in paragraph (2) where the MOH considers that it is necessary to do so in order to reduce or remove the risk of P infecting or contaminating others.

(2) The requirements specified for the purposes of paragraph (1) are for P to –

- (a) provide P's contact details to the MOH,
- (b) supply information to the MOH which may assist in assessing P's health,
- (c) at such time as the MOH may specify, allow a biological sample of P to be taken, including a sample of P's respiratory secretions or blood, by appropriate means including by swabbing P's nasopharyngeal cavity, or provide such a sample,
- (d) comply with any other specified condition or to take any other specified measure.

(3) The conditions or measures which may be specified under paragraph (2)(d) include –

- (a) a restriction on P's travel,
- (b) a restriction on P's activities,
- (c) a restriction on P's contact with specified persons.

(4) The MOH may (orally or in writing) revoke or vary any requirement or restriction imposed under this regulation, including by imposition of a restriction specified in paragraph (3).

(5) Subject to paragraph (6), the period for which a restriction set out in paragraph (3) is imposed may not exceed 14 days beginning with the day on which the restriction is imposed.

(6) Where a restriction set out in paragraph (3) is imposed, or the period of a restriction is extended under this paragraph, the MOH may (orally or in writing) extend the period of the restriction for a further specified period not exceeding 14 days if the MOH considers that the restriction is still necessary and proportionate.

(7) Before imposing or varying a requirement or restriction under this regulation, the MOH must –

(a) inform P (or, where P is a child, a person who is a responsible adult in relation to P) of the requirement or variation that the MOH is minded to impose or make, and

(b) have regard to any relevant representations by P (or, where P is a child, a person who is a responsible adult in relation to P), as to its suitability.

(8) When imposing or varying a requirement or restriction under this regulation, the MOH must inform P that it is an offence to fail to comply with the requirement.

(9) Where a requirement or restriction under this regulation is imposed on or in relation to a child, or varied in relation to a child, a person who is a

responsible adult in relation to the child must ensure that the child complies with the requirement or restriction, insofar as that person is reasonably able to do so.

(10) Where the MOH orally imposes a requirement or restriction on P under this regulation, or orally varies such a requirement or restriction, the MOH must provide P (or where P is a child, a person who is a responsible adult in relation to P) with a written notification of the requirement or restriction that has been imposed or varied.

(11) Paragraph (1) does not affect the exercise of any powers under regulation 3(1)(c).

Self-isolation of persons suspected to be infected with coronavirus.

10. (1) This regulation applies where regulation 2(1)(a) or (b) is met in relation to a person ("P").

(2) The MOH may require P to self-isolate if the MOH –

(a) has reasonable grounds to believe that P is, or may be, infected or contaminated with coronavirus, and

(b) considers that it is necessary to do so in order to reduce or remove the risk of P infecting or contaminating others.

(3) Where the MOH has reasonable grounds to believe that P is, or may be, infected or contaminated with coronavirus, the MOH may detain P pending the decision of the MOH whether to require P to self-isolate under paragraph (2).

(4) Where the MOH has detained P under paragraph (3) or has required P to self-isolate under paragraph (2), the MOH may impose on or in relation to P one or more screening requirements.

(5) When imposing a requirement under this regulation, the MOH must inform P that it is an offence to fail to comply with the requirement.

(6) Where a requirement under paragraph (2) is imposed on or in relation to a child, a person who is a responsible adult in relation to the child must ensure that the child complies with the requirement, insofar as that person is reasonably able to do so.

(7) This regulation does not affect the exercise of any powers under regulation 3(1)(c).

Detention or self-isolation: additional provisions.

11. (1) Where a person ("P") is required to be detained or to self-isolate under regulation 3 or 10 or subjected to restrictions or requirements under regulation 10, the MOH must have due regard to P's well-being.

(2) Where P is detained or required to self-isolate under regulation 3 or 10 or subjected to restrictions or requirements under regulation 10 for a period exceeding 14 days, the MOH must review the continuation of P's detention or self-isolation by reference to the provisions of those regulations.

(3) After each subsequent interval of 24 hours during which P is detained or required to self-isolate under regulation 3 or 10 or subjected to restrictions or requirements under regulation 9, the MOH must review the

continuation of P's detention or self-isolation by reference to the provisions of those regulations.

(4) Where P is detained or required to self-isolate under regulation 3 or 10 or subjected to restrictions or requirements under regulation 9, the MOH may require P to comply with screening requirements if the MOH considers that it is necessary and proportionate to do so in order to reduce or remove the risk of P infecting or contaminating others.

(5) Where P is detained under regulation 2, the MOH may require P to move to a suitable place.

(6) The MOH must notify P (or, where P is a child, a person who is a responsible adult in relation to P), as soon as P's detention under regulation 3 starts, or as soon as it is decided to require P to self-isolate under regulation 10, of –

- (a) the fact of P's detention or requirement to self-isolate,
- (b) the powers under which P is detained or required to self-isolate,
- (c) the reason for P's detention or self-isolation,
- (d) the next steps that may be taken and by whom,
- (e) the obligation to keep the need for P's detention or self-isolation under review,

- (f) the penalty for obstructing a person carrying out a function under these Regulations under regulation 15(4), and
- (g) the right to appeal under regulation 13, where applicable.

Restrictions or requirements in respect of groups.

12. (1) The powers in regulations 2, 3 and 10 include powers to impose a restriction or requirement in relation to a group of persons and, for this purpose, those regulations have effect as follows.

- (2) In regulation 2, the references to "**a person**" and to P –
 - (a) as they apply in paragraph (1)(a) are to each person in the group,
 - (b) as they apply in paragraph (1)(b) are to each person in the group who has arrived on the same aircraft or ship and left the same area,

and the power to impose a requirement to be detained in paragraph (2) of regulation 2 is to be read as a power to impose that requirement on any one or more of the persons in the group in question.

- (3) In regulation 3 –

- (a) in paragraph (1), the reference to "**a person**" is to be read in accordance with paragraph (2) of this regulation,
 - (b) in the rest of that regulation, the references to P are to one or more persons in the group in question.
- (4) In regulation 10 –
- (a) in paragraph (1), the reference to "**a person**" is to be read in accordance with paragraph (2) of this regulation,
 - (b) in the rest of that regulation, references to P are to one or more of the persons in the group in question.

Appeals to the Royal Court.

13. (1) Subject to paragraph (2), a person ("P") may appeal to the Royal Court against –

- (a) a decision of the MOH under this Part, Schedule 1 or Schedule 2 to impose a requirement, restriction or condition on P, or to give a direction in respect of P,

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations are emergency regulations made by the Civil Contingencies Authority under Part 3 of the Civil Contingencies (Bailiwick of Guernsey) Law, 2012 ("the Law"). They are made on the occurrence of an emergency, within the meaning of the Law, in the Bailiwick, arising from the urgent need to prevent, control or mitigate the spread of the virus Severe Acute Respiratory Syndrome Coronavirus 2 and the disease caused thereby, COVID-19 (referred to together in these regulations as coronavirus). They are prefaced with a statement by the Civil Contingencies Authority, as required by section 12(2) of the Law. COVID-19 was made a notifiable disease for the purposes of the Public Health Ordinance, 1936 on 10th February 2020.

These Regulations revoke and re-enact (with modifications) regulations previously made by the Civil Contingencies Authority in respect of the coronavirus pandemic.

These Regulations will come into force on the 22nd December 2021 and shall have temporary effect only in accordance with the provisions of section 16 (duration and scrutiny of emergency regulations) of the Law.

Part I - screening, assessment and powers to detain etc.

This Part places a requirement to self-isolate on persons arriving in the Bailiwick, enables the Medical Officer of Health to place restrictions and requirements on other persons who are or who may be infected with coronavirus, and makes provision in respect of related matters, including powers for the Medical Officer of Health to impose screening requirements, to detain people and to require people to self-isolate. The provisions also create criminal offences and confer powers of enforcement on police officers, and provide for appeals against requirements or restrictions imposed under this Part by the Medical Officer of Health (as well as in respect of determinations concerning vaccination status and decisions in respect of specific conditions imposed on Critical Workers) to be made to the Royal Court.

Regulation 4 gives effect to Schedule 1, which makes provision in respect of Critical Workers. A person who has been granted a Critical Worker Exemption will have to self-isolate in accordance with, and otherwise comply with, the provisions of Schedule 1.

Schedule 2 to these regulations, which is given effect by regulation 5, provides for reduced self-isolation to be undertaken by persons who arrive from a place specified as a Green List Country or a Red List Country on the States of Guernsey website, and who elect to comply with the testing requirements set out therein.

Under Schedule 2, arrivals from Green List Countries are treated differently depending on whether they have a full vaccination history within the meaning of the Regulations. Fully vaccinated arrivals from Green List Countries are required to take a day of arrival test, and to self-isolate until a negative result is received. Other arrivals from Green List Countries are required to take a day of arrival test and a test 8 days after arrival, and to self-isolate until a negative result is received for the second test.

Arrivals from Red List Countries are required to take a day of arrival test and a test 9 days after arrival, and to self-isolate until a negative result is received for the second test.

Children of between 5 and 11 years of age accompanying arrivals from Green List Countries or Red List Countries have to self-isolate for the same period as their accompanying responsible adult. Such children are also subject to a different testing regime, being required to take a series of lateral flow tests on arrival and thereafter.

This Part also provides for "Blue Arrivals" – that is, persons arriving in the Bailiwick from within the Common Travel Area - of 5 years of age and over to take self-administered lateral flow tests for COVID-19 provided to them on arrival, to report any positive test results to Public Health, and to comply with any direction given to them on so doing. The Regulations also impose a requirement to pay a fee for the provided lateral flow tests before travel. Any person (other than a child under 5) who does not wish to undergo any testing on arrival has to self-isolate for 10 days on arrival. Children under the age of 5 arriving in the Bailiwick are not required to self-isolate or undergo testing.

Finally, regulation 21 and Schedule 3 make the wearing of face coverings mandatory (subject to certain specified exceptions) for persons of 12 years and over in shops, pharmacies, banks, post offices, cinemas, concert halls, places of worship, on public transport, and in the parts of government-owned premises, such as Beau Sejour and Sir Charles Frossard House, to which the public have a right of access, and create associated offences and penalties.

Part II – miscellaneous and final

Schedule 4 to these Regulations, which is given effect by regulation 22, sets out the modifications to be made to mental health legislation having effect in the Bailiwick. Paragraphs 4 and 5 modify the Mental Health Review Tribunal Procedure Rules, 2012 to provide that the Mental Health Review Tribunal may properly be constituted according to specified criteria. This Part also inserts provisions permitting the holder of a Category C or C1 driving licence which is restricted to automatic transmission to drive a vehicle with manual transmission which is approved for use as an

ambulance under the Driving Licences (Amendment) Regulations, 2020 where (a) that licence holder also holds a category B licence which is not restricted to automatic transmission and (b) the Committee for the Environment and Infrastructure approves that licence holder to do so.
