

# Travel Information for Bailiwick vessels

If you, or any crew has visited a category 3 or 4 region within the last 14 days before arrival in the Bailiwick the procedures and restrictions for the higher category will **apply to all crew members** on your vessel. For the latest information regarding regional category classifications please visit [covid19.gov.gg/guidance/travel/countries](https://covid19.gov.gg/guidance/travel/countries).

From 14th May, if you are returning from visiting a Category 2 country or region only, you must:

In all cases, if you are required to isolate at a nominated address, rather than on a self-isolation pontoon, you should travel directly from your mooring to that address by your own vehicle or a taxi (**not** using public transport, walking or cycling), keeping the windows open, using hand-sanitiser, wearing a face covering and maintaining as much social distance from the driver as possible and 2 metres from all other personnel.

1

Register your journey on the Travel Tracker within 2 days prior to arrival in the Bailiwick.  
[Traveltracker.gov.gg](https://traveltracker.gov.gg)

2

Proceed to St Peter Port harbour or Braye Harbour for clearance

3

Make your way to the self-isolation pontoons

4

Take a day of arrival test and self-isolate until negative results are received for everyone in the party

5

If you are advised to proceed to your permanent mooring, you must go directly from your mooring to your home address and await the test result

6

Continue in passive follow-up until Day 14, with a further test at day 7

Covid tests are chargeable at £25 per test

Testing facilities open between 09:00-11:00 and 16:00-18:00 only

You must wear a face covering when proceeding to and from the testing facility

You will not be able to access shower and heads facilities until you have received a negative test result and should ensure you have enough food and water for all crew members - test results may take up to 48 hours depending on the volume being processed
