INFORMATION FOR VISITORS.

With the changes in travel restrictions, Sark is pleased to welcome visitors from the Common Travel Area.

We would like to remind visitors that there is no NHS in Sark, all medical care is private, including ambulance transfers to Guernsey on the St John's Ambulance launch, the Flying Christine.

We hope that visitors will enjoy their stay in Sark but would remind them that they should have adequate Travel Insurance, including cover for COVID and consider the possibility that their stay may be extended due to isolation requirements.
