^a Order in Council No. XIV of 2012; amended by Ordinance No. IX of 2016; and No. II of 2017.

which are appropriate for and proportionate to the purpose of preventing, controlling or mitigating the emergency referred to above;

AND WHEREAS the Authority is satisfied that the effect of the following regulations is in due proportion to that emergency, and that they are compatible with the Convention rights within the meaning of section 1 of the Human Rights (Bailiwick of Guernsey) Law, 2000^b;

NOW THEREFORE THE AUTHORITY, in exercise of the powers conferred upon it by sections 12(1), 14 and 19 of the Law, and of all other powers enabling them in that behalf, hereby makes the following regulations: –

PART I

SCREENING, ASSESSMENT, AND POWERS TO DETAIN ETC.

Decisions of MOH and the Authority to impose restrictions and requirements.

1. (1) Subject to paragraph (3), the Medical Officer of Health ("the MOH") may not impose a restriction or requirement under this Part unless the MOH has sought the advice of Her Majesty's Procureur in relation to the appropriateness and proportionality of the proposed requirement or restriction, and has taken account of that advice.

(2) Subject to paragraph (3), the Civil Contingencies Authority ("the Authority") may not impose a requirement under regulation 4(3) or vary a requirement under regulation 4(4) unless the Authority has sought the advice of the

^b Order in Council No. XIV of 2000; amended by No. I of 2005; Ordinance No. XXXVII of 2001; No. XXXIII of 2003; No. XX of 2015; No. IX of 2016; No. XXVI of 2018; and G.S.I. No. 27 of 2006.

MOH in relation to the appropriateness of the proposed requirement or variation and has taken account of that advice.

(3) Neither the requirement in paragraph (1) nor the requirement in paragraph (2) applies where the MOH or the Authority (as the case may be) considers that, in all the circumstances, it would be impracticable to comply with it.

(4) Where the MOH imposes a restriction or requirement under these Regulations without seeking the advice of Her Majesty's Procureur, in reliance on paragraph (3), the MOH shall, as soon as reasonably practicable, give notice that he or she has done so to Her Majesty's Procureur.

(5) Where the Authority imposes a requirement under regulation 4(3) or varies a requirement under regulation 4(4) without seeking the advice of the MOH, in reliance on paragraph (3), the Authority shall, as soon as reasonably practicable, give notice that it has done so to the MOH.

Detention of persons by the MOH.

2. (1) This regulation applies where the MOH has reasonable grounds to believe that a person ("P") –

- (a) is, or may be, infected or contaminated with, or is suspected or confirmed to be suffering from, coronavirus, and there is a risk that P might infect or contaminate others, or
- (b) has arrived in the Bailiwick by air or sea and has left an infected area within the 14 day period immediately preceding the date of P's arrival in the Bailiwick.

(2) Where paragraph (1)(a) or (b) is met in relation to P, the MOH may, for the purposes of screening, assessment or the imposition of any restriction or requirement under regulation 3, impose on P a requirement to be detained until the later of –

- (a) the end of the period of 48 hours beginning with the time from which P's detention under this regulation begins,
- (b) such time as any screening requirements imposed on or in relation to P under regulation 3 have been complied with and the assessment referred to in that regulation carried out in relation to P.

Imposition of restrictions and requirements: general.

3. (1) Where regulation 2(1)(a) or (b) is met in relation to a person ("P"), the MOH may –

- (a) (orally or in writing) impose on or in relation to P one or more screening requirements to inform an assessment by the MOH of whether P presents, or could present, a risk of infecting or contaminating others,
- (b) carry out such an assessment in relation to P, and
- (c) following such an assessment, (orally or in writing) impose on or in relation to P any other restriction or requirement which the MOH considers necessary for

the purposes of removing or reducing the risk referred to in subparagraph (a), including (without limitation) the restrictions or requirements set out in paragraph (2).

- (2) The restrictions or requirements are –
- (a) that P submit to medical examination,
 - (b) that P be removed to a hospital or other suitable establishment,
 - (c) that P be detained in a hospital or other suitable establishment,
 - (d) that P self-isolate,
 - (e) that P be disinfected or decontaminated,
 - (f) that P wear protective clothing,
 - (g) that P provide information or answer questions about P's health or other circumstances,
 - (h) that P's health be monitored and the results reported,
 - (i) that P attend training or advice sessions on how to reduce the risk of infecting or contaminating others,
 - (j) that P be subject to restrictions on where P goes or with

whom P has contact,

(k) that P abstain from working or trading.

(3) A restriction or requirement imposed under paragraph (1) may be varied by the MOH orally or in writing.

(4) Neither paragraph (1) nor regulation 4 affects the exercise of any powers under regulation 8; and nothing in this regulation (or in any other provision in these Regulations) affects the MOH's powers under any other enactment.

(5) In this regulation and regulation 4, a power to vary a requirement or restriction includes a power to revoke it.

Requirement to self-isolate on arrival in the Bailiwick.

4. (1) A person who has arrived in the Bailiwick by air or sea and who has left an infected area within the 14 day period immediately preceding the date of his or her arrival in the Bailiwick must self-isolate for 14 days.

(2) On arrival in the Bailiwick from any place outside the Bailiwick, a person must, if required –

(a) answer any question put to him or her by a relevant officer relating to his or her travel, and the travel of any child travelling with that person, during the 14 day period immediately preceding the date of his or her arrival in the Bailiwick,

- (b) provide any travel document specified by a relevant officer relating to that person, or a child travelling with that person, for inspection, and
- (c) answer any question put to him or her by a relevant officer relating to that travel document.

(3) The Authority may, by publication on the relevant States of Guernsey website, impose a requirement that any person who has arrived in one Island in the Bailiwick from another Island in the Bailiwick must self-isolate for 14 days.

(4) The requirement to self-isolate under paragraph (1) and a requirement to self-isolate imposed under paragraph (3) may be varied –

- (a) by the MOH in relation to a particular case, orally or in writing,
- (b) by the Authority in relation to one or more categories of case, or in relation to all cases, by publication on the relevant States of Guernsey website.

(5) The powers of the MOH and the Authority under paragraph (4) to vary the requirement under paragraph (1) or a requirement imposed under paragraph (3) include (but are not limited to) powers to –

- (a) specify exceptions to the requirement to self-isolate, and
- (b) shorten the duration of the requirement to self-isolate,

either unconditionally or on the MOH being satisfied that one or more specified conditions have been met,

and such powers may be exercised either in relation to a particular case (as regards the powers of the MOH), or one or more categories of case, or all cases (as regards the powers of the Authority).

(6) For the avoidance of doubt, and without prejudice to the generality of paragraphs (4) and (5), in any case where the MOH or the Authority varies the requirement to self-isolate under paragraph (1) or a requirement to self-isolate imposed under paragraph (3), that variation may be amended in accordance with paragraph (7) or (8) (as the case may be), and if so amended shall be treated for all purposes as continuing to have effect in accordance with its terms.

(7) In any case where the MOH has varied such a requirement to self-isolate, the MOH may amend that variation orally or in writing (in a case where the requirement was varied orally), and in writing (in a case where the requirement was varied in writing); and the amendment shall have effect from such time as the MOH may specify.

(8) In any case where the Authority has varied such a requirement to self-isolate, the Authority may –

- (a) amend the variation by publication of the variation in amended form on the relevant States of Guernsey website, and the amendment shall have effect from such time as the Authority may specify on the face of the variation as so amended and published, and

(b) revoke the variation by publication of the revocation, or any replacement variation, on the relevant States of Guernsey website, and such revocation or replacement variation may such contain saving and transitional provision (including in in respect of persons acting in reliance on the revoked variation) as the Authority thinks fit.

(9) Without prejudice to the generality of paragraphs (4) and (5), in any case where the Authority varies, under paragraph (4)(b), the requirement to self-isolate under paragraph (1), failure without reasonable excuse to comply with a condition or restriction set out in, and applicable to, that variation of the requirement is an offence if the condition in paragraph (10) is met.

(10) The condition referred to in paragraph (9) is that the variation of the relevant requirement as published on the relevant States of Guernsey website provides (however expressed) that failure without reasonable excuse to comply with the specified condition or restriction is an offence under this regulation.

(11) Where a restriction or requirement is imposed on or in relation to a child under regulation 3 or this regulation (including the requirement to self-isolate under paragraph (1)), a person who is a responsible adult in relation to the child must ensure that the child complies with the restriction or requirement, insofar as that person is reasonably able to do so.

(12) Where a restriction or requirement is imposed orally on a person under regulation 3 or this regulation, or a restriction or requirement is orally varied, the person (or, in the case of a child, a person who is a responsible adult in relation to the child) must be provided with a written notification of the restriction or

requirement that has been imposed or varied as soon as reasonably practicable.

Screening requirements.

5. (1) For the purposes of these Regulations, the screening requirements in relation to a person ("P") are requirements to the effect that P must

–

- (b) produce any documents which may assist the MOH in assessing P's health,
- (c) at such a time as the MOH may specify, allow a biological sample of P to be taken, including a biological sample of P's respiratory secretions or blood, by appropriate means including by swabbing P's nasopharyngeal cavity, or provide such a sample, and
- (d) provide sufficient information to enable P to be contacted immediately by the MOH during such period as the MOH may specify, where the MOH considers that such provision of information is necessary in order to reduce or remove the risk of P infecting or contaminating others.

(2) Where P is a child who is accompanied by a responsible adult,

the responsible adult must –

- (a) ensure that P answers questions in accordance with paragraph (1)(a),
- (b) answer the questions if P is unable to do so or cannot reliably do so,
- (c) produce any documents, required under paragraph (1)(b), on P's behalf,
- (d) allow a biological sample of P to be taken, including a sample of P's respiratory secretions or blood, by appropriate means including by swabbing P's nasopharyngeal cavity, or provide such a sample, and
- (e) provide information where required by the MOH under paragraph (1)(d).

Imposition of further restrictions and requirements.

6. (1) Where regulation 2(1)(a) or (b) is met in relation to a person ("P") –

- (a) following an assessment by the MOH of the risk presented by P in accordance with regulation 3(1), or
- (b) following P's release from detention under regulation 2, or from self-isolation under regulation 7,

the MOH may (orally or in writing) impose on P any one or more of the requirements specified in paragraph (2) where the MOH considers that it is necessary to do so in order to reduce or remove the risk of P infecting or contaminating others.

(2) The requirements specified for the purposes of paragraph (1) are for P to –

- (a) provide P's contact details to the MOH,
- (b) supply information to the MOH which may assist in assessing P's health,
- (c) at such time as the MOH may specify, allow a biological sample of P to be taken, including a sample of P's respiratory secretions or blood, by appropriate means including by swabbing P's nasopharyngeal cavity, or provide such a sample,
- (d) comply with any other specified condition or to take any other specified measure.

(3) The conditions or measures which may be specified under paragraph (2)(d) include –

- (a) a restriction on P's travel,
- (b) a restriction on P's activities,
- (c) a restriction on P's contact with specified persons.

(4) The MOH may (orally or in writing) revoke or vary any requirement or restriction imposed under this regulation, including by imposition of a restriction specified in paragraph (3).

(5) Subject to paragraph (6), the period for which a restriction set out in paragraph (3) is imposed may not exceed 14 days beginning with the day on which the restriction is imposed.

(6) Where a restriction set out in paragraph (3) is imposed, or the period of a restriction is extended under this paragraph, the MOH may (orally or in writing) extend the period of the restriction for a further specified period not exceeding 14 days if the MOH considers that the restriction is still necessary and proportionate.

(7) Before imposing or varying a requirement or restriction under this regulation, the MOH must –

- (a) inform P (or, where P is a child, a person who is a responsible adult in relation to P) of the requirement or variation that the MOH is minded to impose or make, and
- (b) have regard to any relevant representations by P (or, where P is a child, a person who is a responsible adult in relation to P), as to its suitability.

(8) When imposing or varying a requirement or restriction under this regulation, the MOH must inform P that it is an offence to fail to comply with the

requirement.

(9) Where a requirement or restriction under this regulation is imposed on or in relation to a child, or varied in relation to a child, a person who is a responsible adult in relation to the child must ensure that the child complies with the requirement or restriction, insofar as that person is reasonably able to do so.

(10) Where the MOH orally imposes a requirement or restriction on P under this regulation, or orally varies such a requirement or restriction, the MOH must provide P (or where P is a child, a person who is a responsible adult in relation to P) with a written notification of the requirement or restriction that has been imposed or varied.

(11) Paragraph (1) does not affect the exercise of any powers under regulation 3(1)(c).

Self-isolation of persons suspected to be infected with coronavirus.

7. (1) This regulation applies where regulation 2(1)(a) or (b) is met in relation to a person ("P").

(2) The MOH may require P to self-isolate if the MOH –

- (a) has reasonable grounds to believe that P is, or may be, infected or contaminated with coronavirus, and
- (b) considers that it is necessary to do so in order to reduce or remove the risk of P infecting or contaminating others.

(3) Where the MOH has reasonable grounds to believe that P is, or may be, infected or contaminated with coronavirus, the MOH may detain P pending the decision of the MOH whether to require P to self-isolate under paragraph (2).

(4) Where the MOH has detained P under paragraph (3) or has required P to self-isolate under paragraph (2), the MOH may impose on or in relation to P one or more screening requirements.

(5) When imposing a requirement under this regulation, the MOH must inform P that it is an offence to fail to comply with the requirement.

(6) Where a requirement under paragraph (2) is imposed on or in relation to a child, a person who is a responsible adult in relation to the child must ensure that the child complies with the requirement, insofar as that person is reasonably able to do so.

(3) After each subsequent interval of 24 hours during which P is detained or required to self-isolate under regulation 3 or 7 or subjected to restrictions or requirements under regulation 6, the MOH must review the continuation of P's detention or self-isolation by reference to the provisions of those regulations.

(4) Where P is detained or required to self-isolate under regulation 3 or 7 or subjected to restrictions or requirements under regulation 6, the MOH may require P to comply with screening requirements if the MOH considers that it is necessary and proportionate to do so in order to reduce or remove the risk of P infecting or contaminating others.

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations are emergency regulations made by the Civil Contingencies Authority under Part 3 of the Civil Contingencies (Bailiwick of Guernsey) Law, 2012 ("the Law"). They are made on the occurrence of an emergency, within the meaning of the Law, in the Bailiwick, arising from the urgent need to prevent, control or mitigate the spread of the virus Severe Acute Respiratory Syndrome Coronavirus 2 and the disease caused thereby, COVID-19 (referred to together in these regulations as coronavirus). They are prefaced with a statement by the Civil Contingencies Authority, as required by section 12(2) of the Law. COVID-19 was made a notifiable disease for the purposes of the Public Health Ordinance, 1936 on 10th February 2020.

These Regulations revoke and re-enact (with minor modifications) regulations previously made by the Civil Contingencies Authority in respect of the coronavirus pandemic.

These Regulations will come into force on the 30th October, 2020 and shall have temporary effect only in accordance with the provisions of section 16 (duration and scrutiny of emergency regulations) of the Law.

Part I - screening, assessment and powers to detain etc.

This Part places a requirement to self-isolate on persons arriving in the Bailiwick, enables the Medical Officer of Health to place restrictions and requirements on other persons who are or who may be infected with coronavirus, and makes provision in respect of related matters, including powers for the Medical Officer of Health to impose screening requirements, to detain people and to require people to self-isolate. The provisions also create criminal offences and confer powers of enforcement on police officers, and provide for applications to vary or revoke requirements or restrictions imposed under this part to be made to the Royal Court.

Part II – miscellaneous and final

The Schedule to these Regulations sets out the modifications to be made to mental health legislation having effect in the Bailiwick.

Paragraph 4 modifies the Mental Health (Bailiwick of Guernsey) Law, 2010 to permit an approved medical practitioner (rather than only a second opinion approved doctor) to provide a certificate for the purposes of section 56 where the practitioner is of the opinion that it is not reasonably practicable or would involve unreasonable delay to comply with the unmodified requirement of that section.

Paragraphs 5 to 6 modify the Mental Health Review Tribunal Procedure Rules, 2012 to provide that the Mental Health Review Tribunal may properly be constituted according to specified criteria.

Regulation 17 makes provision in relation to Senior Decision Makers ("SDMs") appointed by the Guernsey Financial Services Commission, including providing for SDMs to hold oral hearings remotely. Regulation 18 empowers the Medical Officer of Health to exercise her powers to require schools to take measures to prevent the spread of infection in Sark, and provide, for the avoidance of doubt, that such measures may include the immediate closure of any school. Regulation 19 enables the Court of Appeal to conduct its proceedings remotely.
