### **INFORMATION FOR PRIVATE VESSELS VISITING SARK**

‘We all love a summertime visit to Sark and Herm, but if you are coming from outside the Bailiwick – even on your own private vessel - you **MUST** report in at St Peter Port harbour first and follow our testing and self-isolation requirements before travelling onto the smaller islands.’

‘After July 1<sup>st</sup>, fully vaccinated arrivals coming from the UK or Jersey can visit Sark or Herm without testing or self-isolating, but before you head there, you must fill out the online Travel Tracker and then stop in Guernsey or Alderney to clear customs and confirm your vaccination status.’

Penalties may be imposed should any vessel breach these guidelines.
