## RECYCLING

Household rubbish is collected weekly. This includes burnables and food waste in Black Bags (with stickers), and recycling in blue and clear bags. If you are unsure what day your rubbish will be collected please contact the Office.

Blue and Clear recycling bags may be collected from the Committee Office during opening hours:

### **Core Opening hours: 9am to 2pm Monday to Friday and 9am to 12pm Friday**

A Black bag of up to 50 litres will need a 50 litre blue sticker (currently £1.50).

A Black bag of up to 100 litres will require a 100 litre yellow sticker (currently £3.00).

*The price is charged on the bag size, not the volume of burnable material it may contain.*

A 'Black bag' is any bag, other than the recycling Blue and Clear bags, that is used for burnable rubbish and **will only be collected if it has the correct, prepaid sticker on it.**

Stickers, of both prices, are available from the following outlets: The Gallery Stores, Foodstop and Mon Plaisir Stores. Please note they are not available from the Committee Office.

A simple guide to plastics is as follows, those plastics to go into the Blue bag (shown on the table below) should be the sort that are from the kitchen or house. Sark is not yet recycling plastics that come from the garden or shed (so no plant pots or seed trays).

If for any reason your rubbish or recycling is not collected, a card indicating why it was not collected will be left with the uncollected bag. If you have any queries regarding uncollected Blue or Clear recycling and/or Black bag burnable please contact the Office on 832118.
