

THE DOUZAINE

17th June 2026

NOTICE TO ALL TRACTORS OWNERS & DRIVERS

Further announcements on weight limits for La Coupée will be made at Midsummer Chief Pleas on Wednesday 8th July.

In the meantime, the Douzaine will consider requests for temporary approval for increased loads in exceptional circumstances and has already given permission for one such case.

Please email douzaine@sarkgov.co.uk for further details or to make a request.

Please be sure to keep to the **5mph speed limit** to protect La Coupée roadway and substructure.

For further information on the stabilisation of La Coupée and limits, please see <https://sarkgov.co.uk/douzaine-updates>.

Thank you for helping us keep La Coupée safe.
