I am informed by the Policy & Finance Committee that the Report with Projet de Loi and Proposition titled 'The Direct Taxes (Sark) (Amendment) Law, 2026' (Item 6) has been withdrawn from the agenda for the Christmas meeting of Chief Pleas.

The Report addressed propositions passed by Chief Pleas at its Midsummer meeting in 2024, rather than any new policy changes. It is the intention of the Policy & Finance Committee to bring the Report to a future meeting of Chief Pleas.
