Question & explanation

yes/no

(more than 50% support = yes, less than 50% = no)

(A) Current Tax System

(A) Do you believe that the current taxation system on Sark is, generally speaking, fair and equitable? no

(B) Personal Capital Tax - Forfait.

(B) Do you support the closing of a loophole that allows residents to reduce the Forfait they pay by declaring that part of the dwelling is 'tourist accommodation' or 'office'? yes

(C) 91st Day Personal Capital Tax.

(C) Do you support the suggestion that newly arrived residents should become liable for the Personal Capital Tax on the 91st day of their stay? yes

(D) Personal Capital Tax.

(D) Do you support the suggestion that restricts the number of residents in a dwelling where the Forfait has been paid who may elect to pay the Minimum Tax? yes

(E) Seasonal Workers.

(E) Do you support the idea of seasonal workers being required to pay personal tax at a pro rata rate that reflects their time spent on island in any one tax year? yes

(F) Personal Capital Tax related to duration of residency on Sark.

(F) Do you support the suggestion that the greater the portion of the year a person stayed on Sark, the less their Personal Capital Tax would be? no

(G) Derelict Houses.

(G) Do you agree to the introduction of a tax on owners to encourage development of derelict properties? yes

(H) Property Transfer Tax.

(H) Do you support the idea of a two-tier Property Transfer Tax, with a lesser amount paid by 'local market' dwellings? yes

(I) Bed Tax.

(I) Do you support a 'Bed Tax' where a visitor pays a small levy for each night they stay on Sark? This would be more for a hotel, less for a campsite. no

(J) Plate Tax.

(J) Do you support a seasonal 'Plate Tax' whereby a diner in a licenced restaurant pays a small levy, say £1, for each meal they purchase? no

(K) Ring-fenced Taxation.

(K) Would you be prepared to pay additional taxes if the monies raised were guaranteed to be used for specific areas of expenditure? Perhaps areas such as Education, Affordable Housing, Medical Care? no

(L) Sark Residency/Tax Residency Approved Scheme.

(L) Would you support a government-approved scheme that results in a significantly higher tax rate levied on residents who stay on Sark for the shortest possible duration in any one calendar year? yes
